ARTICLE I -- RECOGNITION

SECTION A

The District School Board of Pasco County, hereinafter called the "Board," recognizes the United School Employees of Pasco, hereinafter called the "Union," as the exclusive bargaining representative for all School Related Personnel (SRP) in the school district known and designated as Pasco County School District. In this Agreement, SRP shall be defined as those employees included in the noninstructional, school related personnel unit as certified by the Public Employees Relations Commission on September 21, 1987 (Case No. RC-87-020).

As defined above, this would mutually amend the School Related Personnel listed as included and exclude those listed as excluded by the Public Employees Relations Commission (PERC) in the September 21, 1987, Order of Certification.

SECTION B

When a new job description/position title is approved by the Board, the Union will have the right to request in writing that the position be included or excluded from the bargaining unit, stating the reasons for said inclusion or exclusion. The Superintendent shall respond within ten (10) working days. If the Union request is denied, the Superintendent shall state in writing the reasons for rejection in his/her response. In the event of a disagreement on the issue of any specific job description/position title, PERC shall be petitioned for a ruling on the inclusion or exclusion of the position. Any person placed in a contested position shall upon a ruling by PERC for inclusion or exclusion in the bargaining unit receive all rights granted under this Agreement from the time of initial placement.

SECTION C

The Union recognizes the Board as the duly constituted legislative body and agrees to bargain collectively only with the chief executive officer of the Board or his/her designee.

SECTION A - Implementation

1. The Board shall make available to the Union any and all public information, statistics, and records concerning the school district which the Union may deem to be relevant to negotiations or necessary for the proper enforcement of this Agreement. The word "public" as used in this section shall refer to any documents, reports, statistics, studies, and other such information in the form in which they are regularly kept. Materials prepared in multiple form for distribution to the public and/or media shall be provided at no cost to the Union, if requested. If additional information is requested by the Union and said material does not exist in multiple form, the Union shall pay for the actual cost of duplication of such material not to exceed fifteen (15) cents per sheet.
2. SRP shall be appointed to districtwide committees, councils, or other advisory groups by the Superintendent who shall select from a list of bargaining unit members recommended by plurality vote of the SRP at each worksite in an election conducted jointly by the worksite supervisor and the SRP building representative. The list presented to the Superintendent shall contain at least two (2) times as many names as the places to be filled. Final recommendations of committees on which SRP serve shall not be construed as substitutes for negotiated agreements.
3. Elected representatives of the Transportation Safe Driver Plan Committee shall be nominated and elected by employees covered by the Plan at each location (East, West, Northwest, Central, and Zephyrhills) by an election conducted jointly by the worksite supervisor and the SRP building representative. The employee who receives the plurality of the votes cast shall be declared elected.
4. Appointed SRP to the Food and Nutrition Services Program Committee shall be selected by the Board and the Union, with an equal number of voting members appointed by each. In addition, the committee shall be chaired by an administrator with voting power, and shall be authorized to evaluate the district Food and Nutrition Services program in order to make recommendations to improve operations and to increase efficiency.
5. The worksite supervisor shall meet at mutually agreed times during the year with representatives of the Union, at the request of the Union, to discuss questions and problems as well as matters relating to the implementation of this Agreement. Such meetings shall not be construed to replace the

grievance procedure for any matter normally the subject of a grievance.

6. The Union shall appear on the Board agenda at all Board meetings as a regular agenda item. Further, the Union representative shall be recognized upon request to speak on issues before the Board in the same manner as any other individual. A copy of the agenda and all supporting data will be provided to the Union by the Secretary of the Board. Said material shall be sent to the Union office at the same time they are sent to the Board members.
7. Duly authorized representatives of the Union may visit worksites to investigate employee complaints and/or communicate with SRP. Upon arrival at the worksite, Union representatives shall make their presence known to the worksite supervisor or his/her designee. If the worksite supervisor does not approve the representatives' visit at that particular time, he/she will explain the reason to the representatives, and the Union representatives will not continue the visit until a mutually agreed upon time can be determined. Such visits shall not interrupt normal work responsibilities.
8. Whenever SRP are scheduled by the Board or its agents to participate during working hours in conferences, meetings, or in negotiations respecting the Collective Bargaining Agreement, they shall be granted the necessary time and shall suffer no loss in pay or benefits.
9. Each year upon reaching a tentative agreement in negotiations and prior to ratification, a district meeting shall be conducted by USEP for union representatives during the workday for the purpose of explanation of the tentative agreement and contract ratification procedures. Each worksite shall be allowed to send one (1) representative selected by the USEP President. The representatives attending the district meeting shall be granted one-half (1/2) day release time and shall suffer no loss in pay. The cost of any substitutes shall be paid for by the Board. For those SRP who are eligible for any approved attendance incentive, such release time shall not be counted against him/her.
10. A roster of all SRP assigned to a school or district office department shall be provided to the Union worksite representative by the principal or district office department head by September 10, and revised rosters shall be provided when issued. Each member of the bargaining unit will receive a directory of all personnel by November 15 of each school year. This directory shall contain an alphabetical list of all employees as well as a list of employees by school and district office department. Copies of this directory shall not be provided by the Board or Union to any outside parties for commercial or solicitation purposes.
11. Following ratification, copies of all agreements and addenda thereto between the parties shall be distributed to the worksite by the Union and the Board. The Union will distribute a copy to each employee covered by this Agreement. After the distribution, the Union will make every effort to distribute this Agreement to SRP hired after each year's initial distribution within twenty (20) working days of the date the SRP is approved by the Board. The Board and the Union will mutually arrange for the printing of the Agreement. The Board shall contribute one-half (1/2) the cost of printing copies of the Agreement. The parties will mutually agree to the specified number of copies and to the size, format, and cost of the copies.
12. The Board shall grant leave without pay to the Union President and up to three (3) SRP designated by the Union for the purpose of engaging in Union activities. The leaves shall count toward accruing seniority and Pasco continuous service. The SRP on leave may participate in all group fringe benefit plans provided by the Board by making their own and the Board's regular contribution to all benefits requiring such contribution. The leaves of absence shall be for a period of up to one (1) year at a time except for the President's leave which shall be for the term of office and automatically be renewed each year. At the conclusion of the President's leave, he/she shall be returned to the position held at the commencement of the leave if such position exists. Other SRP on Union leave shall be returned to the position held at the commencement of such leave if such position exists after the first year of Union leave. If the Union leave extends beyond the first year, the SRP shall be returned to a position of the same job title he/she held at the commencement of his/her leave if such a position exists and is available or a similar position for which he/she is qualified in the opinion of the Superintendent if such a position exists and is available.
13. The Board will allow Union representatives time off to attend local, state, or national workshops, conferences, conventions, and other related activities for up to fifteen (15) days per school year. Further, the Board agrees that fifty (50) additional days may be granted. If granted, the Union shall

reimburse the District for the full cost of the required substitute(s). However, if substitutes are not used, the Union will not be charged.

14. Up to ten (10) SRP shall be granted Union Leave to attend the Florida Education Association's (FEA's) Convention or the FEA Leadership Conference each year. The Board shall pay the cost of the required substitutes for such SRP. Such Union leave shall be in addition to the leave days authorized under paragraph 12 above.
15. Temporary duty shall be granted for SRP to attend Board-approved, USEP-sponsored staff development on districtwide staff development days with prior approval of the worksite supervisor. SRP will not be released on districtwide staff development days to attend USEP-sponsored staff development when it conflicts with a required staff development activity scheduled by the worksite supervisor.
16. The Union President or his/her designee shall serve as a member of the District's Substitute Task Force which shall explore ways to recruit and retain qualified substitutes.

SECTION B - Payroll Deductions

1. Upon authorization by any SRP, the Board agrees to deduct at no cost to the SRP the amount of dues certified by the Union as the amount required and remit the amount so deducted to the Union. The Board will be authorized to make said deduction upon receiving the signed authorization form attached as Appendix A of this Agreement.
 - a) All funds collected by the Board as a result of dues deductions shall be remitted by the Board to the Union within ten (10) days of the deduction.
 - b) Dues deductions shall be continuous from year to year so long as the employee organization remains the certified bargaining agent for the unit.
 - c) Authorizations are revocable by the employees with thirty (30) days written notice to both the Board and the Union.
2. The Board shall supply to the Union a list of those SRP from whom said payroll deductions have been made after each pay period.
3. The Union shall indemnify and save the Board harmless from any and all claims, demands, suits, and causes of action of any kind whatsoever arising from Board actions to comply with the provisions of this section.

SECTION C - Use of Facilities

1. The Union may use district facilities for meetings upon prior approval of the school principal or district office department head. Approval will be withheld only for good and sufficient reason, which shall be stated to the person making the request. At each worksite, for a maximum of five (5) times per year, a meeting called by the Union for that worksite's SRP may be scheduled during fifteen (15) minutes of the SRP workday provided that such a schedule does not interfere with services provided to students. Further, two (2) additional meetings not to exceed two (2) hours each may be held during the working day for the purpose of contract explanation and/or ratification.
2. The Union shall have the right to conduct regularly scheduled Building Representative Council meetings in worksite facilities after the normal working day.
3. The Union may use building facilities for countywide or area meetings upon prior approval of the worksite supervisor. Approval will be withheld only for good and sufficient reason, which shall be stated to the person making the request. These meetings are to be conducted after the working day of SRP is completed.
4. The Union may be charged the customary fee for custodial services made necessary by use described in paragraphs 2 and 3 above.
5. The Union shall have the right to use the school mailboxes and electronic network for the purpose of communicating with SRP. The electronic network shall not be used for internal or external political activities.
6. The Union shall have the right to post notices of activities and matters of Union concern on bulletin boards specifically assigned exclusively for use by the Union. The worksite supervisor shall designate space for a Union bulletin board in each employee lounge, in the kitchen area, and in the custodial office area. The Union will provide bulletin boards at its own expense. Bulletin boards shall be at least twelve (12) square feet in size unless another size is mutually agreed upon.

7. The Union shall receive written notice on or before August 1 of any districtwide orientation meeting for incoming SRP, if requested. Further, the Union shall be given a place on the agenda of any districtwide orientation meeting for incoming SRP, if requested. Should a worksite have an orientation meeting for new SRP, the worksite Union representative shall be introduced by the worksite supervisor, upon request. The Board will provide the Union with a list of newly hired SRP within seven (7) days of the SRP's appointment by the Board.

END OF ARTICLE III

ARTICLE IV -- FAIR PRACTICES

SECTION A

1. The Board and the Union recognize the right of all SRP to organize, join, and support the Union (including, but not limited to, the displaying of union materials, buttons, pins, apparel, etc.) or refrain from organizing, joining, and supporting the Union. Any such item will be consistent with school and/or district attire and rules. In addition, the Board and the Union agree that they will not directly or indirectly discourage, deprive, or coerce any SRP in the enjoyment of any rights conferred by this Agreement.
2. Further, the Board and the Union, including their agents, mutually agree not to discriminate against any SRP in regard to any of the rights, guarantees, or privileges afforded SRP under the terms of this Agreement.
3. The Board and the Union agree that there shall be no discrimination on the basis of race, religion, color, sex, national or ethnic origin, age, marital status, disability, or handicap with regard to employment. Allegations of discrimination on the basis of race, religion, color, sex, national or ethnic origin, age, marital status, disability, or handicap shall not be subject to the grievance procedure contained in this Agreement. Any SRP who believes that he/she has been discriminated against may file a complaint with the appropriate state agency, federal agency, and/or the district equity coordinator.

SECTION B

Nothing contained herein shall be construed to deny or restrict rights to any SRP that he/she may have under Florida law or other applicable laws and regulations.

END OF ARTICLE IV

ARTICLE V -- SENIORITY

SECTION A

1. Seniority shall be the length of continuous service of an SRP in the school system. Continuous service shall be determined in reference to unbroken service in the district with each year in which an SRP has been in a paid duty status for at least (1) day more than one-half (1/2) of the normal work year for the position counted as one (1) year of service. If an SRP takes ten (10) or more successive days of unpaid leave, these days shall be deducted from the normal work year, and if this deduction reduces the normal year to less than one (1) day more than one-half (1/2) the normal work year for the position, the year shall not be counted.
2. Seniority shall be one of the factors considered when making work assignments, assigning overtime, decreasing hours within an area of assignment at a worksite, and changing a shift or time schedule. However, at an alternative school for disruptive students, cost effectiveness and efficiency and the needs of students shall be among the factors considered when making work assignments. In instances in which work assignments can be made in which students' needs are met and cost effectiveness and efficiency are not adversely affected, seniority shall be considered in making the work assignments.
3. If it becomes necessary to establish precedence among SRP with the same seniority, the beginning date of continuous service shall be used. Leave duly authorized and granted in accordance with provisions of this Agreement shall not constitute a break in service.

SECTION B

The first week of each month, the Board shall provide seniority data to the Union. The data will contain job classification of the names of all SRP employed in the district and total number of years of continuous service in the district as determined by the District School Board of Pasco County. Seniority lists may be posted on the Union bulletin board at each worksite. The Union shall provide the district with a computer and a peripheral storage device to transmit the data.

END OF ARTICLE V

ARTICLE VI -- GRIEVANCE PROCEDURE

SECTION A - Definitions

1. A grievance is a complaint by an SRP or by a group of SRP that there has been a violation, misinterpretation, or misapplication of this Agreement and shall be subject to settlement under all provisions of this article except as otherwise provided.
2. When a complaint arises alleging that: (a) a policy or practice is improper or unfair or (b) there has been a deviation from or a misinterpretation or misapplication of a practice or policy or (c) there has been unfair or inequitable treatment by reason of an act or condition contrary to existing policy or practice, such complaint shall be subject to settlement under all provisions of this article excluding Steps Four and Five.

SECTION B - General Application

1. With regard to items of the Agreement covering Union rights, the Union shall have the right to present, process, or appeal a grievance at any level in its own behalf.
2. The Union has the right to represent the SRP at any level of the procedure. However, the employee shall have the right to be represented by legal counsel or any person(s) he/she deems necessary at any step of this procedure.
3. A grievance shall be first filed at the level where the alleged action(s) occurred that led to the filing of the grievance and processed in accordance with all subsequent steps thereafter as outlined in this article.
4. No decision or adjustment of an agreement shall be contrary to any provision of this Agreement existing between the parties hereto.
5. The Union shall have the right to be present at all meetings after Step One regarding a grievance regardless of the party filing the grievance.
6. Failure to communicate the decision of a grievance at any step of this procedure within the specified time limit shall permit the Union to submit an appeal at the next step of this procedure.
7. In the event that a grievance is filed at such time that it cannot be processed through all of the steps in the grievance procedure by the end of the grievant's normal work year, the time limits set forth herein shall be reduced to the extent possible so that Steps One to Three of the procedure may be completed prior to the end of the grievant's normal work year.
8. No reprisal of any kind shall be taken by or against any participant in the grievance procedure by reason of such participation. No entry of any kind concerning the participation of an SRP in a grievance shall be entered into his/her personnel file.
9. All parties agree that these proceedings shall be kept as confidential as may be appropriate at each level of the procedure.
10. Whenever meetings for resolving grievances are scheduled during the working day of the grievant, the Union representative and/or grievant will be granted released time without loss of pay or benefits.
11. Time limits specified in this article may be extended at any time by mutual agreement in writing.
12. No member of the bargaining unit shall be represented by another employee organization.

SECTION C - Procedure

Step One: Any member of the bargaining unit who feels he/she has a grievance may first discuss the grievance with the worksite supervisor or designee, either directly or accompanied by the Union representative, with the object of solving the matter informally.

Step Two: In the event that the matter is not resolved informally, the formal grievance stated in writing

may be submitted to the worksite supervisor, the Union, and the Superintendent, with one (1) copy for the grievant. A formal grievance shall be filed as soon as possible after the action giving rise to the grievance but not later than twenty (20) days after the grievant knew or could reasonably have been expected to know of the occurrence giving rise to the grievance.

- a) Within five (5) days after the receipt of the formal grievance, the worksite supervisor shall hold a formal hearing on the grievance.
- b) The grievant and the Union representative shall be given at least one (1) day's written notice of the hearing. Said notice shall contain the time and place of such hearing.
- c) Within five (5) days after the hearing, the worksite supervisor shall communicate his/her decision in writing together with supporting reasons.
- d) The worksite supervisor shall furnish one (1) copy to the grievant and one (1) additional copy to the Union representative.

Step Three: If the grievance is not resolved satisfactorily, the grievant and/or Union may appeal within five (5) days to the Superintendent of Schools. The appeal shall be in writing and shall include a copy of the original appeal and the decision arrived at in Step Two.

- a) Within ten (10) days after the receipt of the appeal, the Superintendent shall hold a hearing on the grievance.
- b) The grievant, the Union representative, and the worksite supervisor shall be given at least two (2) days written notice of the hearing. Said notice shall contain the time and place of such hearing.
- c) The grievant shall be present at the hearing unless there is mutual agreement that no facts are in dispute and that the sole question before the Superintendent is one of interpretation of a provision of the Agreement between the parties thereof or of what is established policy or practice.
- d) Within five (5) days after the hearing on the appeal, the Superintendent shall communicate his/her decision in writing together with supporting reasons to all parties present at the hearing including the grievant.

Step Four: If a grievance involving the application or interpretation of this Agreement is not resolved satisfactorily, the Union may appeal within five (5) days to the Board. The appeal shall be in writing and shall include a copy of the original grievance and the decisions at Steps Two and Three. The Union may waive this step for any grievance filed. If this step is waived, the grievance may be appealed directly to Step Five upon mutual agreement of the Board and the Union if no satisfactory resolution has been reached at Step Three.

- a) Within fifteen (15) days after receipt of the appeal, the Board shall hold a hearing if a regular Board meeting falls within that time period and legal requirements can be met. If a regular Board meeting does not fall within that time period or if legal requirements cannot be met, the Board shall hold a hearing at the next occurring regular Board meeting beyond that time period when legal requirements can be met.
- b) The grievant, the Union representative(s), the worksite supervisor, the Superintendent, and the President of the Union shall be given written notice at least two (2) days prior to the hearing.
- c) Within fifteen (15) days after hearing the appeal, the Board shall communicate its decision in writing together with its supporting reasons to all parties present at the hearing including the grievant.

Step Five: If a grievance is not resolved satisfactorily at Step Four, the grievant, through the Union, may appeal within five (5) days directly to the American Arbitration Association for binding arbitration.

- a) The arbitrator shall be selected through procedures and governed by the rules established by the American Arbitration Association.
- b) The decision and award of the arbitrator shall be in writing and shall set forth opinions and conclusions on the issues submitted to him/her at the time of the hearing.
- c) The decision of the arbitrator shall be final and binding.
- d) The cost of filing for arbitration through the American Arbitration Association, the fee and expenses of the arbitrator and any court reporter shall be borne by the losing party. Any other costs connected with arbitration shall be borne by the party incurring the costs.

- e) Nothing in the foregoing shall be construed to empower the arbitrator to make any decisions amending, changing, subtracting from, or adding to the provisions of this Agreement.

END OF ARTICLE VI

ARTICLE VII -- WORKING CONDITIONS

SECTION A - Disciplinary/Dismissal Procedures

1. Any SRP hired after final ratification of the SRP Master Contract for the 2002-2003 School Year will serve a probationary period that will consist of the SRP's first sixty (60) workdays. During this probationary period, the SRP's employment may be terminated without cause or the SRP may resign without giving prior notice and be released from employment without prejudice. Any SRP suspended or discharged during his/her probationary period will be notified of the reason for such action.
2. All eligible SRP may be dismissed for good and sufficient reasons that are neither arbitrary nor capricious and do not violate any Federal or State law. "Eligible" means SRP who are not temporary or casual, and who have successfully completed the initial sixty (60) workday probationary period.
3. Any eligible SRP who is suspended or discharged shall be notified in writing of the reason for such action.
4. Any SRP required to attend a meeting called by the worksite supervisor or designee for the purpose of a reprimand or for action leading to suspension or for an investigatory interview shall have the right of Union representation at such meeting. A worksite supervisor or designee holding a meeting for the purpose of a reprimand or for action leading to suspension or for an investigatory interview shall stop the meeting until Union representation can be obtained if the employee requests Union representation. This section shall not be interpreted to apply to conferences relating to observation or evaluation of work responsibilities.
5. The District supports the concept of "progressive discipline" and encourages its application when appropriate.
6. An SRP will be advised immediately if the Board has initiated or is cooperating with the Education Practices Commission in an investigation of said SRP.
7. For the purpose of complying with the provisions of Section 1012.40, F.S., it is understood that "educational support employee" as defined in that Section includes members of the School Related Personnel collective bargaining unit.
8. The employment of eligible SRP shall continue from year to year unless the Superintendent gives written notice to the SRP of recommended termination. The written notice shall include the reasons for the recommendation of termination, a description of all evidence the Superintendent has to support the recommendation, and a description of the appeals process as set forth in paragraph 11.
9. When the notice is issued to the eligible SRP, the School Board may suspend the SRP with or without pay.
10. In the event the Board reduces the number of SRP districtwide for financial reasons, the procedure to be followed, and the impact on the layoff and recall provisions (Article VII, Section D and E) of this Agreement will be negotiated with the Union prior to the implementation of the reduction.
11. When an eligible SRP receives a written notice of termination as set forth in paragraph 8, the SRP will have fifteen (15) calendar days from receipt to file with the Superintendent a written request for an appeal hearing before the Board on the proposed termination. The request must contain the basis for the appeal. Unless the Board and Union mutually agree to extend the timelines, the School Board will conduct a hearing on the SRP's appeal of the proposed termination of employment within thirty (30) calendar days of the receipt of the written request. The SRP shall be given written notice of the scheduled hearing at least fifteen (15) calendar days prior to the hearing. At the hearing, the SRP and the Superintendent will have an opportunity to respond, to present evidence and argument on the issues involved, to conduct cross-examination and submit rebuttal evidence, and to be represented by the Union, legal counsel, or any person deemed necessary. Presentation of a full case at this appeal hearing shall not preclude the Board, Union, and/or the SRP from presenting a full case, including new information, witnesses, testimony, etc. at any subsequent grievance,

DOAH, and/or court proceedings. Unless the Board and Union mutually agree to extend the timelines, the Board shall communicate its decision in writing together with supporting reasons to the SRP within fifteen (15) calendar days after the Board reaches a decision.

12. Nothing in paragraphs 6 through 11 shall be construed to replace, diminish, or expand the grievance procedure specified in Article VI of this Agreement or a Chapter 120 hearing before a Hearing Officer of the Florida Division of Administrative Hearings pursuant to the Florida Administrative Procedure Act.

SECTION B - Position Vacancies

1. Whenever an SRP vacancy occurs in the school district, the Board shall publicize the same by giving written notice to the Union and by providing for appropriate posting in all worksites, to include posting in the Food and Nutrition Services work area.
2. An SRP who desires to apply for any such vacancy shall file his/her application with the contact person named in the notice in the manner specified.

SECTION C - Transfers and Reassignments

1. Each SRP shall be notified in writing prior to the end of his/her work year whether or not he/she will be reappointed for the following fiscal year.
2. By April 15 of each year, the Board shall have posted in each worksite and the Human Resources Director's office a list of those known SRP vacancies recorded in the district office for the coming year.
3. SRP who desire a change in job classification or work location shall file a written request on MIS Form #356, Request for Transfer or Change in Assignment/Position. Such request shall be reviewed by worksite supervisors when filling any vacant position and will remain valid for a period of twelve (12) months following date of application.
4. It is the Board's intention that the best-qualified applicant be hired for each vacant position. The Board agrees to give full consideration to the professional background and attainments of applicants for vacancies. If the SRP is qualified for said position, he/she shall be interviewed by the appropriate supervisor. Applicants shall be notified in writing of the decision by the worksite supervisor.

SECTION D - Layoff Procedure

1. Layoff is defined as the reduction in force for lack of funds or changes in allocation without fault on the part of any employee. Layoffs may occur due to staff reduction at a worksite or the closing of an existing facility. The Board shall notify the Union immediately upon determination that layoffs must occur.
2. In case of staff reduction at a worksite, volunteers for layoff will first be sought from among the affected SRP. In the event the number of volunteers is not sufficient, the SRP with the least seniority in the district among those assigned to the worksite at which the reduction must occur within the area of assignment affected shall be laid off first. "Area of assignment" shall mean specific job title. SRP selected for layoff and the Union shall be given notice of the layoff and the reason therefore in writing.
3. If a school has at least fifteen (15) students speaking the same home language and a Paraprofessional (ESOL/Bilingual) is the only Paraprofessional or Instructional Assistant (ESOL/Bilingual) on staff who is proficient in the same home language, then to comply with Florida State Board of Education Rules, Chapter 6A-6.0904 (4) (c), the seniority requirement contained in paragraph 2 above relative to the layoff of a Paraprofessional or Instructional Assistant (ESOL/Bilingual) will be preempted.
4. An SRP who is laid off under provisions of this section shall be placed on leave without pay for a period of twelve (12) months. This leave may not be extended beyond one (1) year for any reason.
5. An SRP who is laid off under provisions of this section shall retain his/her seniority upon recall. Layoff shall not be considered a break in service if the SRP is recalled under the Recall Procedure, Article VII, Section E or is hired in another position with the Board while on layoff.
6. An SRP who is placed on leave because of layoff shall have the right to unemployment compensation, and nothing contained herein shall be construed to abridge that right.
7. For the purpose of layoff, the Board and Union agree that paraprofessionals and instructional

assistants in a specific area of assignment will be considered as one group. {Example: Paraprofessional (ESE) and Instructional Assistant (ESE) will be considered as one area of assignment.}

SECTION E - Recall Procedure

1. Laid off SRP shall be recalled to their job classification in inverse order of layoff.
2. Recall lists by job title shall be maintained districtwide and positions shall be offered regardless of where they occur in the district, except that no school or department shall be required to fill more than fifty percent (50%) of its vacant positions by job title from recall lists unless no other vacant positions by job title are available within the district. For the purpose of recall, the Board and Union agree that paraprofessionals and instructional assistants in a specific area of assignment will be considered as one group. {Example: Paraprofessional (ESE) and Instructional Assistant (ESE) will be considered as one area of assignment.} Effective with the start of the 2006/2007 school year, only Instructional Assistants may be recalled to those positions at Title I schools which require the educational credential specified by the Elementary and Secondary Education Act. At an alternative school for disruptive students, the principal, after interviewing an employee on a recall list in which the school has a vacancy, may decline to hire the employee. When an SRP who is on the recall list is offered a position at an alternative school for disruptive students, he/she shall have the right to turn down the position and shall retain his/her current place on the on the recall list. If the SRP turns down a position at an alternative school for disruptive students, he/she shall retain his/her current position on the recall list but will no longer be offered positions at other alternative schools for disruptive students. An employee on a Bus Driver/Paraprofessional recall list will be granted preference in hiring over outside applicants for district positions for which he/she possesses required qualifications provided that no recall lists exist for these positions and there are no laws or regulations which would bar this procedure. A Bus Driver/Paraprofessional who wishes to claim this preference must notify the worksite supervisor and the District Human Resources Office in writing of his/her intentions at the time of application for an advertised vacancy. Failure to make this notification will bar relief through the grievance process in the event preference is not granted. The Union shall be notified of all SRP on the recall list, in order of recall. This list shall be updated whenever there is a change in the SRP sequential recall order.
3. It shall be the responsibility of each laid off SRP to provide the Board with a telephone number and mailing address at which he/she can be reached or at which a message may be left during working hours. Telephone calls for the purpose of recalling SRP shall be made Monday through Friday, 8:00 a.m. to 5:00 p.m. when the district office is in normal operation, based on the twelve (12) month work calendar. The Union shall be provided with a copy of this calendar.
4. When a vacancy occurs in a position for which a recall list exists, the Board shall attempt to contact the person at the top of the list by telephone at least three (3) times per day over a three (3) day period and offer the position to the SRP. When multiple vacancies exist in a position for which a recall list exists, the SRP may request to be provided information on all positions. A busy signal shall not count as an attempt to reach the SRP. In the event an SRP's telephone is out of order due to no fault of said SRP, the SRP shall be returned to the top of the recall list upon confirmation of this situation. In the event a person cannot be reached after these attempts, he/she shall be placed at the bottom of the list and notified of this action by certified mail. In the event a person cannot be reached after following this procedure two (2) additional times, the Board shall be released from further recall obligations, and the person shall be deemed to have resigned for personal reasons from the employment of the Board. The Board shall document all contacts, attempted contacts and results and provide to the Union upon request.

6. The person at the top of the recall list for a specific position vacancy must respond within forty-eight (48) hours of an offer of a position. If the person does not accept that position, he/she shall be placed at the bottom of the recall list. If the SRP declines the second position offered by the Board, except as provided in Article VII, Section E, paragraph 7, the Board shall be released from further

recall obligations, and the person shall be deemed to have resigned for personal reasons from the employment of the Board. It shall be the obligation of the notified SRP, except in an emergency, to respond to a job offer made under the provisions of this section. Non-response without cause shall be deemed to be a resignation for personal reasons.

7. When an SRP is offered a position at a worksite which is twenty (20) miles further from the SRP's previous worksite, he/she shall have the right to turn down two (2) such offers before being placed at the bottom of the recall list. When said SRP reaches the top of the recall list again, the Board shall offer him/her the next available position. If the SRP declines this position, the Board shall be released from further recall obligations, and the person shall be deemed to have resigned for personal reasons from the employment of the Board.
8. When an SRP who is a tobacco user and who is on the recall list is offered a position at a smoke and tobacco free site, he/she shall have the right to turn down the position and shall retain his/her current place on the recall list. If the SRP who is a tobacco user turns down a position at a smoke and tobacco free site and gives being a tobacco user as the reason for turning down the position, he/she shall retain his/her current position on the recall list but will no longer be offered positions at other smoke and tobacco free sites.
9. If, after accepting a position, an SRP does not report to the new position within five (5) days of the start date, the Board shall be released from further recall obligations, and the person shall be deemed to have resigned for personal reasons from the employment of the Board.
10. If an SRP has not been recalled within twelve (12) months of layoff, the Board shall have no further recall obligations, and the person shall be deemed to have resigned for personal reasons from the employment of the Board.

3. After each assessment of an SRP, the SRP or witness shall sign and be given a copy of the assessment instrument. The signature of the SRP shall not necessarily indicate agreement with the assessment but only acknowledges that he/she has read the report.
4. An SRP shall be given the opportunity to include his/her comments in writing concerning the assessment report or, in the case of subparagraph 5 below, any written notification of performance deficiencies. These comments shall be placed in the SRP's personnel file if the assessment report or, in the case of subparagraph 5 below, any written notification of performance deficiencies is placed in the SRP's personnel file.

At any time during this period, beginning with the initial notification to the SRP that he/she may be subject to involuntary transfer, the Union has the right to represent the SRP. At an alternative school for

disruptive students, the salary of an SRP who is involuntarily transferred to another worksite shall be no less than he/she would have earned at the alternative school for the remainder of the school year. 5. No SRP shall be required, as a condition of employment, to participate in commercial solicitation regarding noninstructional materials.
6. An SRP who works at a worksite on double session or extended-day schedule shall receive full pay for a full day worked.
7. 8. Normally, SRP shall not be required by the worksite supervisor or designee to transport student(s) or equipment in his/her vehicle. However, at times the health or safety of a student may require that an SRP provide transportation for a student. In that event, the Board shall reimburse the SRP at the authorized rate for mileage and shall maintain excess insurance coverage for such activities. Also, equipment required to perform the duties of a position shall be exempt from provisions of this section.
9. No SRP shall be required to present evidence of health, including but not limited to health certificates and tuberculosis skin test results, as a condition of continued employment except as provided in Florida Statutes, State Board of Education rules, and applicable Department of Education rules and regulations. If an SRP wishes to exercise this right, he/she must notify his/her current and previous worksite supervisors and the district Human Resources Department in writing of his/her intentions prior to April 1. Failure to make this notification will bar relief through the grievance process in the event another person has been appointed to the previous worksite position for the next school year.
15. Administration of Medications and Medical Procedures
 - a) **Medications and Routine Medical Procedures** - SRP (other than Health Assistants, Senior Child Care Assistants, or LPNs) shall not administer medication or perform routine medical procedures as part of their daily work responsibilities, unless the SRP has volunteered and has been authorized by the worksite or district/program supervisor. The SRP who administers medication or performs routine medical procedures shall receive training by a licensed practical

nurse, a registered nurse, a licensed physician or a licensed physician assistant. Such training shall be provided by the Board during the SRP's work hours.

For all other invasive medical services not listed above, a licensed practical nurse, a registered nurse, a licensed physician, or a licensed physician assistant shall determine if non-medical school personnel shall be allowed to perform such service.

16. Any SRP whose duties include the supervision or transportation of an ESE staffed student or a student with a medical condition which may require special attention shall be notified as soon as possible of the placement of such student under the SRP's supervision. Within thirty (30) days of such notification, pertinent instruction/information regarding such students shall be available to the SRP.
17. When a Facility and Maintenance Services employee is required to report first thing in the morning to any worksite other than the Facility and Maintenance Services Department, he/she shall be provided a district vehicle to drive home the preceding afternoon.

SECTION U – JOB SHARING

The Board and the Union recognize the need to allow increased flexibility in finding and successfully completing college courses, as well as maintaining a family focus. The district shall provide a job sharing program as follows:

Job sharing is the employment of two (2) SRP performing the duties and responsibilities of one individual. Job sharing is not designed to be permanent part-time employment or to provide opportunity for individuals to work for another employer.

Two (2) benefit earning SRP who wish to share one position must first request and obtain the approval of their principal/supervisor. Upon approval of the principal/supervisor, the request for job sharing must be sent to the Director of Employee Relations and the President of USEP by April 1 for approval. If approved, two (2) SRP may participate in the job sharing program for the next school year. Upon approval of the principal, the two (2) SRP may request to extend job sharing for additional years to a maximum of five (5) years. Each year, requests for extensions must be sent to the Director of Employee Relations and the President of USEP by April 1 for approval. Job sharing will be approved in one-year periods.

Reasons for an SRP requesting to job share may include the following:

- a) Childcare.
- b) Medical condition of the SRP or immediate family member. Immediate family shall mean husband,

- wife, child, father, mother, brother, sister, or other close relative or member of his/her household.
- c) Advanced study leading toward a higher degree.
- d) College work leading toward certification in education.
- e) Other stated reasons.

SRP approved for job sharing must agree to the following conditions of employment:

- a) Each SRP must work one-half (1/2) day of the benefit earning position. The schedule of duties and assignments shall be made by the principal/supervisor. Any changes must be approved by the principal/supervisor.
- b) Each SRP shall be credited with four (4) one-half (1/2) days of Sick Leave in proportion with the hours of the position, at the end of the first month of employment each year and shall earn one-half (1/2) day of Sick Leave each month thereafter. Sick Leave will be credited each pay period until the yearly allotment is reached. Each SRP shall be allowed up to six (6) one-half (1/2) days of personal leave. Such leave will not be cumulative and shall be deducted from accrued sick leave when used.
- c) Each SRP in a vacation earning position shall earn vacation according to Article VIII, Section B-5.
- d) Each SRP shall receive the appropriate contributions for the Florida Retirement System and social security.
- e) Each SRP will be paid as shown on the appropriate salary schedule.
- f) For the purposes of seniority and credit on the salary schedule, assignments for each SRP will constitute more than one-half of the school year thus entitling each SRP to one year of service.
- g) One SRP will receive full benefits, health, and flexible benefits, as provided by the district. The other SRP will sign a waiver of such benefits.
- h) Should one of the two SRP job sharing have to vacate his/her position during the year due to unavoidable circumstances, the remaining SRP will assume that position. However, in cases where a replacement for the vacating job sharing SRP can be found who is approved by the principal/supervisor, the Director of Employee Relations, and the President of USEP, the position may continue as a job sharing position.
- i) Upon return from an approved job sharing position of no more than one (1) year, an SRP shall be placed in the same position held upon applying for said job sharing position if such position exists. Any SRP who is hired for the purpose of replacing an individual who is job sharing will be notified upon employment that employment is for the period of the job share and will sign a condition of employment letter which states that they will be terminated at the end of the period. In the event the SRP does not return from his/her job sharing position or extends the job sharing agreement beyond one (1) year, the person occupying the position shall continue in the position.
- j) If a job share is extended beyond one (1) year, upon completion of the job share one (1) of the two (2) SRP will be laid off in accordance with Article VII, Section D, of the SRP Master Contract.
- k) Other working conditions and benefits as stipulated in the SRP Master Contract may not be applicable and subject to waiver based upon the needs of the students, school, or position. Such waivers shall be agreed to by the Director of Employee Relations and the President of USEP.

END OF ARTICLE VII

ARTICLE VIII -- LEAVES OF ABSENCE

SECTION A - Rules Governing

1. Any SRP on approved leave shall retain seniority rights. No approved leave shall be considered a break in service for any reason, but seniority shall not be accrued during that time except in the case of Military Leave or the Union President's leave.
2. Any SRP on approved leave with pay shall be eligible for all benefits during the period of the leave including but not limited to retirement and retention of employment status.
3. During any approved leave of absence, the SRP shall have the right to participate in all group fringe benefit plans provided by the Board. In the event the leave is unpaid, the SRP shall be permitted to make his/her own and the Board's regular contributions to all benefits requiring such contributions.
4. Any SRP on approved, extended leave who returns to the position held prior to going on leave

without a break in service shall be placed on the appropriate salary step upon return. If the SRP does not return to the position held prior to going on leave or if there is a break in service, salary step placement shall be governed by the rules in effect at the time of rehire. However, those SRP returning from Military Leave within the time legally stipulated shall be advanced to the appropriate position on the salary schedule as if they had been in actual service in the district.

5. a) Positions shall be held for SRP who are granted unpaid leave under the following conditions:
 - 1) Unpaid Sick Leave not to exceed twenty (20) working days, and, if eligible for Health Leave, the first ninety (90) days of such leave;
 - 2) Child Rearing Leave for up to one-half (1/2) the work year of the SRP;
 - 3) Military Leave for the period of time obligated to serve;
 - 4) Education Leave for a period not to exceed one (1) year;
 - 5) Civic Participation Leave for up to one (1) year at a time for a period not to exceed the term of office;
 - 6) Family and Medical Leave (FMLA Leave) for up to twelve (12) weeks;
 - 7) Union President's and Union-designated leave as explained in Article III, Section A, paragraphs 12, 13, 14 and 15;
 - 8) Unpaid Personal Leave not to exceed nine (9) workdays for circumstances not covered by 1 through 7. In cases of documented family problems, household emergencies, and/or legal business which necessitates the SRP being absent from work, an additional eleven (11) days of unpaid Personal Leave may be granted. The supporting reasons for such additional unpaid Personal Leave must be submitted in writing.
- b) Upon request, an SRP shall be granted any unpaid leave listed in Article VIII, Section C-Unpaid Leaves under the provisions stated therein for which he/she qualifies for a period up to one year, but his/her position shall not be held except for SRP who are granted Civic Participation Leave, Education Leave, Military Leave, FMLA Leave, or Union President's and Union-designated leave. Further, no extension of leave beyond one (1) year shall be granted except for Civic Participation Leave, Military Leave, or Union President's and Union designated leave.
6. Positions shall not be held for SRP on extended, unpaid leave except as provided above, and it is understood that the person returning from leave under these conditions shall be returned to the same position held upon applying for such leave if the position exists. Persons hired to replace SRP who are on extended, unpaid leave and whose position is being held will be notified prior to employment that their appointment is only for the period of time that the SRP is on leave. In the event that the SRP does not return from leave or extends his/her leave and no longer qualifies for the position to be held, the person occupying the position shall continue in the position. Prior to recommending approval of an extended, unpaid leave, the worksite supervisor shall inform the SRP in writing whether or not his/her position will be held for the return of the SRP from leave. If the position will not be held, the SRP will be terminated at the end of his/her leave. However, an SRP will be given consideration for other positions for which he/she may be qualified when he/she is ready to return from leave.
7. a) If an SRP has exhausted all paid leave and is still unable to work because of personal illness or injury, he/she will be granted unpaid Sick Leave for a period not to exceed twenty (20) additional workdays, and his/her position will be held. If the SRP is still unable to return to work at that point, he/she shall be granted Health Leave under the provisions contained in Article VIII, Section C-5. If the SRP is unable to return to work after the first ninety (90) days of Health Leave, his/her position will no longer be held.
- b) Unpaid leave granted under the provisions of Article VIII, Section C-7 a) 5), Family and Medical Leave (FMLA), based on the serious health condition of the SRP, will be counted toward the days available for unpaid Health Leave, and will be counted toward the ninety (90) days of Health Leave in which an SRP's position will be held.
- c) Should an SRP be granted FMLA Leave due to the SRP's serious health condition, and such leave be granted beyond the first ninety (90) days of unpaid Health Leave, the SRP's position will be held until the conclusion of his/her approved FMLA Leave. If the SRP is unable to return to work after the conclusion of the approved FMLA Leave, his/her position will not be

held.

8. An SRP who is absent without leave on a temporary basis shall not be subject to loss of pay and/or subject to reprimand or dismissal if said absence is beyond the individual's control and the SRP is unable to notify the worksite supervisor or designee and said SRP is eligible for paid leave during his/her absence. Upon request by the worksite supervisor or designee, reasonable documentation, if the situation permits, and/or explanation will be furnished by the SRP at the earliest possible time.
9. When an SRP receives an unpaid leave of absence after the beginning of the second semester that extends to the end of the school year, the number of days remaining to be paid to the SRP shall be divided by the number of days in the SRP regular payroll check to determine the number of pay periods for which the school district will pay benefits except as provided for FMLA Leave.
10. When bus routes are picked at the beginning of the school year, a Bus Driver or Transportation Assistant on extended leave for whom a position is not being held who wishes to return from leave and is otherwise qualified to pick a route will be permitted to do so in regular seniority order provided that a vacant Bus Driver or Transportation Assistant position exists at that time.

 - 7) Sick leave days transferred under this provision will be paid at the rate of pay of the recipient.

2. Injury/Illness-in-Line-of-Duty Leave

- a) An SRP shall be entitled to Injury/Illness-in-Line-of-Duty (ILD) Leave not to exceed ten (10) days during any school year because of personal injury received in the discharge of duty or because of illness from any contagious or infectious disease contracted at work. Within three (3) days after the submission of a properly completed first report of illness or injury by an employee, the supervisor shall conduct an investigation and submit for administrative review a written report with his/her findings. Copies of the first report of illness or injury and the supervisor's report shall be furnished to the Union. Said administrative review shall be completed within two (2) days of receipt of the supervisor's report. ILD Leave shall be granted only after investigation and review.
 - b) If the nature or extent of the illness or injury prevents an employee from submitting the first report of illness or injury, his/her supervisor shall submit the report on behalf of the employee.

 - d) No leave granted under this provision shall be charged to accrued Sick Leave.

The twelve (12) month period will start on the first date that a member receives days from the Sick Leave Bank, and the member will be eligible to receive up to one hundred (100) additional days starting on the anniversary date of the member first receiving days from the Sick Leave Bank. The awarding of days is subject to the following conditions:
 - 1) The need must arise from the member's own personal illness or injury. If the personal illness or injury is catastrophic, a member may receive up to one hundred (100) days. If the personal illness or injury is less than catastrophic, a member may receive up to thirty (30) days. - c) In the event a member has a preexisting condition on the date of enrollment, there shall be a ninety (90) day waiting period before eligibility based upon disability due to that particular illness.

Also, only participating members of the Bank shall be eligible to vote for committee members.

Beginning with the 2001-2002 school year, the Board and the Union will mutually agree as to the appropriate representation for each position title eligible for membership in the Sick Leave Bank. Once a position title has been assigned to one of the categories of Transportation Department, custodial, Food and Nutrition Services, clerical, Facility and Maintenance Services Department, or paraprofessional, each employee in that position who is a member of the Sick Leave Bank will be eligible to vote for the representative from that category who serves on the Sick Leave Bank Committee.

 - 1) consider and approve/disapprove applications for withdrawal of days based on established criteria.
 - 2) define "catastrophic" and may develop other definitions, guidelines, and rules for the purpose of administering the Bank.
 - 3) investigate any alleged abuse and, upon a finding of wrongdoing, report such to the Superintendent. If such wrongdoing is substantiated, the employee shall reimburse the district for all wages and benefits paid to the employee.
 - 4) be governed by rules established by the committee.
- h) The committee shall function as follows:

- 1) the Assistant Superintendent for Administration or his/her designee shall be the chairperson. The chairperson shall conduct meetings, initiate and receive all correspondence, and generally administer the business of the committee. The chairperson will consider recommendations from the committee prior to establishing regular meeting dates and times for the year (including the summer months). A copy of the schedule shall be provided to each committee member before the September meeting.
- 2) a vice-chairperson may be selected by the committee and may conduct meetings at the request of the chairperson in his/her absence.
- 3) a quorum shall consist of four members plus the presiding officer.
- 4) the chairperson shall have no voting power except as a tiebreaker.
- 5) all members of the Bank shall be given an annual report on the status of the Bank.
- 6) the Superintendent and the Union shall be provided with a monthly report on the condition of the Bank which will include:
 - a. The number of participating members.
 - b. The names of members requesting Sick Leave Bank days.
 - c. The number of hours expended and the number of hours remaining in the Sick Leave Bank.

7. Sabbatical Leave

Subject to the following conditions, an SRP with seven (7) or more years of satisfactory continuous service in the District School Board of Pasco County may be granted a Sabbatical Leave of absence for a period not to exceed one (1) year for the purpose of completing a bachelor's or master's degree:

- a) The equivalent of no more than one (1) SRP shall be placed on Sabbatical Leave during any school year. Thus, the Superintendent may approve sabbatical leave for two (2) different SRP for one semester each, during the same year.
- b) No SRP shall be eligible for this leave more than one time in each seven (7) year period.
- c) To be eligible, an SRP must be enrolled in a bachelor's or master's degree program of a college or university approved by a regional accrediting association such as the Southern Association of Colleges and Schools (SACS), intend to take a full academic load, or enroll in his/her final education internship, and have completed enough of the required work to be eligible to complete the degree or the final education internship during the sabbatical period. Correspondence study, even if it satisfies the conditions stated above, shall not qualify for this leave. If all work for the degree or the final education internship is not completed prior to the first workday of his/her employee classification after the expiration of the Sabbatical Leave or if the SRP requests termination of the leave prior to the agreed-upon date, the SRP shall reimburse the Board within one (1) year of the expiration or termination of the Sabbatical Leave for the full amount of the leave plus eight percent (8%) interest. At the expiration of the leave and prior to returning to work, the SRP must present written documentation to verify that the above conditions have been satisfied. In the event all conditions have not been met, the SRP shall waive the right to return to the position held prior to applying for leave and shall be terminated from employment at the expiration of the leave.
- d) Sabbatical Leave may be granted if satisfactory arrangements can be made for the smooth operation of the school system.
- e) SRP on Sabbatical Leave will be paid fifty-five percent (55%) of the salary which would normally have been drawn during the time of the leave.
- f) An SRP making application for his/her first Sabbatical Leave shall be given preference over one who has been previously granted Sabbatical Leave. In the event more than one applicant meets the criteria for Sabbatical Leave, the Superintendent shall select the SRP to receive the sabbatical.
- g) An SRP granted Sabbatical Leave is required to serve at least three (3) years in the district after expiration of the leave. In the event such SRP should accept other employment instead of working for Pasco County for the full three (3) years as specified above, he/she would be required to reimburse the Board as follows:
 - 1) Zero (0) years of return service - the full amount of the sabbatical.

2) One (1) year of return service - two-thirds (2/3) of the amount of the sabbatical.

3) Two (2) years of return service - one-third (1/3) of the amount of the sabbatical.

All moneys owed would be due within two (2) years of the last day of work of the employee. Eight percent (8%) interest will be charged on the unpaid balance on the yearly anniversary of the last day of work.

h) Application for Sabbatical Leave shall be filed with the Director of Employee Relations by April 1.

i) Upon request, the Board shall provide the Union with a list of SRP who applied for Sabbatical Leave and a list of SRP who have been granted Sabbatical Leave.

8. Military Leave

An SRP shall be entitled to paid Military Leave not to exceed seventeen (17) days during the work year.

SECTION C - Unpaid Leaves

Positions shall be held for SRP who qualify for unpaid leave under the conditions as described in Article VIII -- Leaves of Absence, Section A - Rules Governing, subparagraphs 5 and 6.

1. Child Rearing Leave

a) A leave of absence without pay for a period of up to one (1) year shall be granted for child rearing. Said leave shall be granted in connection with childbirth, adoption, or death of the other parent.

b) Requests for such leave shall be made in writing to the Office of the Superintendent at least thirty (30) days, when possible, prior to the commencement of the leave.

c) The SRP's position shall be held for up to one-half (1/2) the SRP's work year.

d) Any days granted for the purpose of child rearing under the provisions of Article VIII, Section C 7 a), 1), 2), or 3), Family and Medical Leave (FMLA), will be counted toward the one (1) year that may be granted as Child Rearing Leave under this section.

2. Military Leave

a) All SRP drafted for military service or called to active duty with reserve components shall be granted a leave of absence without pay for the period of time obligated to serve except as provided in Section 115.07, Florida Statutes. A copy of the military orders shall be attached. Effective July 1, 1987, the "annual period" referred to in Section 115.07, Florida Statutes, shall be from July 1 through June 30.

b) The SRP's position will be held for the time obligated to serve.

3. Education Leave

a) Upon request, an SRP with two (2) or more continuous years of service in the district may be granted a leave of absence without pay for a period not to exceed one (1) year for the purpose of furthering his/her formal education under the following conditions:

1) the SRP must complete at least fifteen (15) credit hours each semester or the equivalent number of credit hours each quarter or the equivalent technical or trade credit while on leave;

2) the SRP must be enrolled as a degree-seeking student or equivalent technical or trade certification;

3) the SRP must attend a college or university accredited by a regional accrediting association or, in the case of a trade or technical school, an equivalent crediting association.

Completion of a final education internship will be considered the equivalent of completing fifteen (15) credit hours for the purpose of satisfying the education leave requirements outline above. Correspondence study, even if it satisfies the conditions stated above, shall not qualify for this leave. In the case of an SRP attending a trade or technical school, the program in which the SRP is enrolled must be one which, in the judgment of the Board, is perceived to be of benefit to the district. At the expiration of the leave and prior to returning to work, the SRP must present written documentation to verify that the above conditions have been satisfied. In the event all conditions have not been met, the SRP shall waive the right to return to the position held prior to applying for leave and shall be terminated from employment at the expiration of the leave. Such

leave shall not be granted more than once in any five (5) year period.

b) The SRP's position will be held for a period not to exceed one (1) year.

4. Civic Participation Leave

a) Upon request, an SRP shall be granted Civic Participation Leave without pay.

b) Such leave includes, but is not limited to, the following: election or appointment to a constitutional office in a federal, state, county, or municipal government or subdivision thereof.

c) The SRP shall notify the Board in writing of his/her intention of accepting such office or assignment and shall keep the Board informed of his/her status at annual intervals thereafter. Such leave shall be renewed yearly, upon application, for a period equal to the term of office to which said SRP has been elected or appointed.

d) The SRP's position shall be held for up to one (1) year at a time for a period not to exceed the term of office.

5. Health Leave

a) Upon request, an SRP shall be granted a leave of absence without pay for up to one (1) year for reasons of poor health as certified by a licensed medical physician. With the exception of FMLA Leave, such leave shall not be granted more than once in any five (5) year period; however, subsequent leave of up to one (1) additional year may be approved by the Superintendent or his/her designee upon the employee documenting extenuating circumstances.

b) Unpaid leave granted under the provisions of Article VIII, Section C 7 a) 5), Family and Medical Leave (FMLA), based on the serious health condition of the SRP, will be counted toward the days available for Health Leave, and will be counted toward the ninety (90) days of Health Leave in which an SRP's position will be held.

c) Positions shall be held for SRP who qualify for unpaid Health Leave for the first ninety (90) days of such leave. However, should an SRP be granted FMLA Leave due to the SRP's serious health condition, and such leave be granted beyond the stated provisions for Health Leave, the SRP's position will be held until his/her entitlement for FMLA Leave be exhausted.

6. Extended Personal Leave

a) Upon request, an SRP with two (2) or more continuous years of service in the district shall be granted a leave of absence without pay for up to one (1) year for other reasons than those stated in C 1, C 2, C 3, C 4, or C 5 provided that the primary purpose shall not be to engage in gainful employment.

b) The reason for such request shall be stated in the application for leave.

c) The SRP's position will not be held.

7. Family and Medical Leave Act (FMLA)

a) The Board will grant an eligible employee (as defined in subparagraph c) of this section up to a total of twelve (12) weeks of leave in a twelve (12) month period (July 1 through June 30, as defined in subparagraph b) of this section for one or more of the following reasons:

1) the birth of a child of the employee and care following the child's birth.

2) the adoption of a child by the employee including the events and process leading to adoption, and care following the adoption.

3) the placement and/or care of a child in the foster care of the employee.

4) the care of a child, spouse or parent of the employee who has a serious health condition (as defined in Part a) 5). For purposes of this paragraph: (a) the term "spouse" means a husband or wife as defined or recognized under State law for purposes of marriage; (b) the term "parent" means a biological parent or an individual who stands or stood *in loco parentis* to an employee when the employee was a child – this term does not include parents "in law"; (c) the terms "son" or "daughter" mean a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing *in loco parentis*, who is either under age 18, or age 18 or older and incapable of self-care because of a mental or physical disability.

When an employee takes FMLA leave for the care of a child, spouse, or parent of the employee which results in the death of such child, spouse, or parent of the employee, the Board will provide unpaid leave and benefits for a maximum of five calendar days from the

date of the death of such child, spouse, or parent of the employee.

- 5) the treatment of a serious health condition which prevents the employee from performing his/her job. A "serious health condition" means an illness, injury, impairment, or physical or mental condition that involves:
 - a. any period of incapacity or treatment in connection with or consequent to in-patient care (i.e., an overnight stay in a hospital, hospice, or residential medical care facility);
 - b. any period of incapacity requiring absence from work, school, or other regular daily activities, of more than three (3) calendar days, that also involves continuing treatment by (or under the supervision of) a health care provider; or
 - c. continuing treatment by (or under the supervision of) a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three (3) calendar days; or for prenatal care.

Voluntary or cosmetic treatments which are not medically necessary are not "serious health conditions" unless inpatient hospital care is required.

- b) The twelve (12) month period for entitlement under this section will be measured from July 1 through June 30.
- c) In order to be eligible, the employee must have been employed by the Board for at least one year, and the employee must actually have received pay for 1,250 or more hours from the Board during the twelve (12) month period immediately preceding the unpaid leave. Holidays, earned Sick Leave, and vacation time for which the employee has been paid but has not worked shall be included in the calculation of the 1,250 hours. Workers' Compensation, suspension with pay, and Sabbatical Leave for which the employee has been paid will not be included in the calculation of the 1,250 hours. Sick Leave Bank days for which the employee has been paid will not be included in the calculation of the 1,250 hours. Should an SRP apply for FMLA Leave based on the serious health condition of the SRP as described in subparagraph 7 a) 5), and such requested leave immediately follows Sick Leave Bank days which were granted for the SRP's serious health condition, the twelve (12) month period in which the SRP received pay will be calculated prior to the first day of approved Sick Leave Bank.
- d) Leave, except for certain exceptions described in part e) for SRP employees, commences upon the absence of the employee from work and ends on the day and time the employee reports back to work.
- e) Leave for the birth, adoption, or placement of a child with an employee as described in subparagraphs 7 a) 1), a) 2), and a) 3), must conclude within one (1) year from the date of the birth, adoption, or placement of the child.
- f) Leave for the birth, adoption, or placement of a child with an employee as described in subparagraphs 7 a) 1), a) 2), and a) 3), will be counted toward the one (1) year that may be granted as Child Rearing Leave under Article VIII, C-1.
- g) Leave for the serious health condition of the SRP as described in subparagraph 7 a) 5) will be counted toward the days that may be granted as Health Leave under Article VIII, C-5.
- h) Any Sick Leave Bank days granted during the year under the provisions of Article VIII, Section B-6, will be counted toward the SRP's annual entitlement of up to twelve (12) weeks of FMLA Leave.
- i) The FMLA Leave mentioned in this section is subject to the following restrictions and privileges:
 - 1) An employee must first use all available earned paid Sick Leave before unpaid FMLA Leave will be granted.
 - 2) The employee will be restored to his/her former position unless the employee's position has been affected by reduction in force and/or layoff.
 - 3) The Board shall require materials documenting the reason for the leave before granting a leave of absence under this section.
 - 4) It is the responsibility of the employee to obtain the necessary documentation and to furnish the documentation to the Board.

- 5) The Board may request verification of a medical condition for which leave has been granted under this section at any reasonable interval, but not more often than once every thirty (30) days, unless:
 - a. the employee requests an extension of leave;
 - b. circumstances described by the original documentation have changed significantly (i.e., the duration of the illness, the nature of the illness, complications); or
 - c. the employer receives information that casts doubt upon the continuing validity of the documentation.
- 6) If the Board pays the employee contribution missed by the employee while on leave, the employee will be required to reimburse the Board for delinquent payments (on a payroll deduction schedule) upon return from leave. The employee will be required to sign a written statement at the beginning of the leave period authorizing the payroll deduction for delinquent payments.
- 7) An employee may continue coverage by continuing to pay the employee's portion of the premiums, including dependent coverage, while on leave.
- 8) The employee must notify the Board as soon as practicable once the employee knows that a leave will be needed. For a foreseeable leave, such as for birth, adoption, or planned medical treatment, the employee must provide at least thirty (30) days notice to the Board. In all cases, the employee must furnish a request to the Board on a form provided by the Board.
- 9) Prior to the employee's return to work from an employee disability, the employee shall submit medical certification of the employee's fitness to return to work.
- 10) The Board retains the right to implement reasonable rules and regulations with regard to the use of leaves of absence within the requirements of the FMLA. This includes but is not limited to requiring a second opinion, at the Board's discretion, from a Board-paid doctor with regard to a medical disability, and the use of forms for requests for leave, physician documentation, and fitness to return to work.
- 11) In the event that the Board exercises its right to a second medical opinion and the opinion conflicts with the first doctor's opinion in the medical certification, then a third opinion may be required by a Board-paid physician mutually agreed upon by the Board and employee. This third opinion will be final and binding upon the Board and the employee.

j) Intermittent Leave or Reduced Leave

An eligible employee who is entitled to a twelve (12) week leave under the provisions of this section may take that leave on an intermittent or reduced leave schedule in certain cases. An intermittent leave schedule is one in which the employee may take the allowable leave intermittently, or in blocks of days at a time, as needed. A reduced leave schedule is one in which the employee's daily or weekly work hours are reduced, as needed. Leave will be granted intermittently or on a reduced leave basis in the case of the serious health conditions of the employee or of the child, spouse, or parent of the employee, provided that it is medically necessary and that a certification from a physician is obtained.

The amount of Family and Medical Leave used where an employee takes leave intermittently or on a reduced leave schedule will be determined in accordance with the applicable regulations of the Family and Medical Leave Act of 1993, currently §825.205 of the Interim Regulations.

k) Effect of Leave on Board-Paid Benefits

During the period of leave governed by this section, the Board will pay the portion of the insurance premium which it normally paid prior to the leave, such as major medical, surgical, dental, vision, life, and flexible benefits. The cost of these benefits will be paid by the Board based on the expectation that the employee will return to work following the approved FMLA Leave. Return to work means that the employee must return to work for at least thirty (30) calendar days following the conclusion of approved FMLA Leave or following the conclusion of other approved leave which is granted under Article VIII and which is immediately subsequent to the FMLA Leave. Non-contracted days during summer break, and unpaid holidays during winter and spring break will not be used in calculating the thirty (30) calendar days. If an employee does not return to work for the Board after FMLA Leave, the Board shall take

necessary steps to recover the Board's share of the health premium payments made on the employee's behalf during a period of unpaid FMLA Leave unless:

- 1) the employee's position has been affected by reduction in force and/or layoff;
- 2) the employee has a continuation, recurrence, or onset of a serious health condition which would entitle the employee to leave under FMLA; or
- 3) other circumstances beyond the employee's control. In cases where an employee does not return to work and claims the reason to be "other circumstances beyond the employee's control," the details regarding such circumstances will be reduced to writing and submitted for review by the Board's designee responsible for FMLA Leave. The Board may require additional documentation to support the employee's claim. The Board will use applicable Federal Regulations and existing case law to determine whether the circumstances claimed by the employee as resulting in the employee not being able to return to work were beyond the employee's control.

- l) The SRP's position will be held.

8. Continuous Service Health Leave Benefits

- a) The purpose of this provision is to extend certain insurance benefits to SRP who are not eligible for those benefits under the Family and Medical Leave Act (FMLA) and subsequent language as provided in Article VIII, Section C, paragraph 7 of the School Related Personnel Master Contract because their work calendar(s) (days and hours) for the preceding twelve (12) months does not equal 1250 hours or more as required for eligibility under FMLA, but who are eligible for Health Leave under Article VIII, Section C, paragraph 5 of the School Related Personnel Master Contract.
 - b) Specifically, for this purpose an eligible SRP is one who:
 - 1) has completed ten (10) years of continuous employment by the Board;
 - 2) is in an insurance benefit earning position;
 - 3) during the twelve (12) month period preceding the unpaid health leave has been in a paid status for at least 95% of the SRP's contracted hours. Holidays, earned sick leave, and vacation time for which the employee has been paid but had not worked shall be included in the calculation of the hours. Workers' Compensation, suspension with pay, and Sabbatical Leave for which the employee has been paid will not be included in the calculation of the hours. Sick Leave Bank days for which the employee has been paid will not be included in the calculation of the hours. Should an SRP apply for Health Leave and such requested leave immediately follows Sick Leave Bank days which were granted for the SRP's serious health condition, the twelve (12) month period in which the SRP received pay will be calculated prior to the first day of approved Sick Leave Bank; and
 - 4) documents that Health Leave is required for the treatment of a serious health condition which prevents the SRP from performing his/her job. A "serious health condition" means an illness, injury, impairment, or physical or mental condition that involves:
 - a. any period of incapacity or treatment in connection with or consequent to in-patient care (i.e., an overnight stay in a hospital, hospice, or residential medical care facility);
 - b. any period of incapacity requiring absence from work, school, or other regular daily activities, of more than three calendar days, that also involves continuing treatment by (or under the supervision of) a health care provider; or,
 - c. continuing treatment by (or under the supervision of) a health care provider for a chronic or long-term health condition that is incurable or so serious that, if not treated, would likely result in a period of incapacity of more than three calendar days; or for prenatal care.
- Voluntary or cosmetic treatments which are not medically necessary are not "serious health conditions" unless in-patient hospital care is required.
- c) The twelve (12) month period for entitlement of insurance benefits under this provision will be measured from July 1 through June 30.
 - d) Any insurance benefits paid as a result of the approval of days by the Sick Leave Bank under the provisions of Article VIII, Section B, paragraph 6, will be counted toward the SRP's annual

entitlement of up to twelve (12) weeks of insurance benefits.

e) The receipt of insurance benefits as mentioned in this provision is subject to the following restrictions and privileges:

- 1) The Board shall require the SRP to obtain and to furnish to the Board the necessary documentation of a serious health condition as described in paragraph b) 4) b, and c of this provision.
- 2) The Board may request that the SRP provide additional verification of a serious health condition at any reasonable interval.
- 3) The Board retains the right to implement reasonable rules and regulations with regard to the approval of benefits based on a claim of a serious health condition. This includes but is not limited to requiring a second opinion, at the Board's discretion, from a Board-paid doctor with regard to a medical condition, and the use of forms for requests for leave, physician documentation, and fitness to return to work.
- 4) In the event that the Board exercises its right to a second medical opinion and the opinion conflicts with the first doctor's opinion in the medical certification, then a third opinion may be required by a Board-paid physician mutually agreed upon by the Board and SRP. This third opinion will be final and binding upon the Board and the SRP.
- 5) Board-Paid Insurance Benefits

For SRP who are eligible for continuous service health leave benefits, the Board will pay the portion of the insurance premium which it normally paid prior to the leave, such as major medical, surgical, dental, life, and flexible benefits. The cost of these benefits will be paid by the Board based on the expectation that the SRP will return to work following the approved Health Leave. Return to work means that the SRP must return to work for at least thirty (30) calendar days following the conclusion of approved Health Leave or following the conclusion of other approved leave which is granted under Article VIII, and which is immediately subsequent to the Health Leave. Noncontracted days during summer break and unpaid holidays during winter and spring break will not be used in calculating the thirty (30) calendar days. If the SRP does not return to work for the Board after approved leave, the Board shall take necessary steps to recover the Board's share of the health premium payments made on the SRP's behalf during a period of unpaid Health Leave unless:

- a. the SRP's position has been affected by reduction in force and/or layoff,
- b. the SRP has a continuation, recurrence, or onset of a serious health condition which would entitle the SRP to additional health leave, or
- c. other circumstances beyond the SRP's control. In cases where an employee does not return to work and claims the reason to be "other circumstances beyond the employee's control," the details regarding such circumstances will be reduced to writing and submitted for review by the Board's designee responsible for approval of such leave. The Board may require additional documentation to support the SRP's claim. The Board will determine whether the circumstances claimed by the SRP as resulting in the SRP not being able to return to work were beyond the SRP's control.

f) SRP are not entitled to more than twelve (12) weeks of combined leave in any year (July 1 to June 30) under provisions of the FMLA and Continuous Service Health Leave Benefits.

END OF ARTICLE VIII

ARTICLE IX -- SAFETY AND HEALTH

SECTION A - Safety

1. The Board shall provide safe working conditions by complying with all applicable federal and state laws and regulations and all Board policies pertaining to safety. SRP will comply with all applicable federal and state laws and regulations and all Board policies pertaining to safety.
2. The Board shall indemnify and save harmless all SRP from any claim, demands, suits, and causes of action of any kind whatsoever arising out of unsafe and/or hazardous conditions within the worksite.
3. If an SRP observes a condition which he/she considers to be creating a health or safety hazard,

he/she shall inform the administrator in charge of the facility where the condition is observed. As soon as possible, the administrator or designee will investigate and correct the condition if warranted. Upon completion of the investigation and request by the SRP, the administrator or designee will inform the SRP of the outcome of the investigation and corrective action taken.

4. The Board shall provide SRP with appropriate training in the use of all equipment and machinery required to be used in the performance of their duties and in all applicable federal and state laws and regulations and all Board policies pertaining to safety. The Board shall not require any SRP to perform tasks which endanger his/her safety, provided that this shall not be applicable in any emergency circumstances where the safety of students warrants intervention by an SRP.
5. It shall be the Board's responsibility to provide special safety clothing required by federal or state law or rule or Board policy.
6. The Board and Union recognize that situations may arise in which an SRP may use reasonable force to protect himself/herself, students, or others from harm in accordance with the guidelines provided in the Code of Student Conduct. Any SRP shall immediately report any instance involving the use of physical force to protect himself/herself or another employee and/or student, or the restraining of disruptive students, and any case of assault on or threat to the employee in connection with his/her employment to the worksite supervisor or designee. If requested, the SRP shall give in detail the circumstances thereof in writing.
7. **Safety Promotion Program**
 - a) District Safety Committee
 - 1) The Union president or his/her designee shall be appointed as a member of the District Safety Committee.
 - 2) At least one (1) member of the District Safety Committee shall be an SRP.
 - 3) When meetings are held during duty hours, SRP committee members will be released without charge to Sick or Vacation Leave.
 - b) Worksite Safety Committee
 - 1) At least one (1) member of the Worksite Safety Committee shall be an SRP at the worksite unless no SRP volunteer for service on the committee.
 - 2) When meetings are held during duty hours, SRP committee members will be released without charge to Sick or Vacation Leave.

SECTION B - Workers' Compensation

Any SRP employed by the Board and injured while performing his/her duty shall be protected as provided by the Workers' Compensation Act.

1. Injury and Illness

- a) In the event an SRP is injured in the discharge of duty and/or suffers from an illness arising out of such injury and/or contracts an infection or disease resulting from student contact, said SRP shall be entitled to Injury/Illness-in-Line-of-Duty Leave for a period not to exceed ten (10) days. In addition, the Board may grant additional leave for such term as deemed appropriate.
- b) During the course of absences under this section, the SRP shall receive an amount not to exceed his/her normal compensation and shall be entitled to continue full benefits. In addition, payments shall be made to SRP for damage to dentures, eyeglasses, prosthetic devices, and artificial limbs when the damage results from an accident occurring in the normal course of employment.
- c) When an SRP is absent from his/her working responsibilities as a result of any provision in this section, there shall be no deduction made for Sick Leave allowance credited to such SRP.
2. Absence from work related to an injury/illness-in-the-line-of-duty during the school year in which the ILD occurred shall not cause an SRP who is otherwise eligible and is drawing Workers' Compensation benefits to lose credit for seniority, step increases, insurance benefits, or contributions to the Florida Retirement System.
3. Any SRP who has any claim for compensation while absent under this section shall file a claim in the manner prescribed in Section 1012.61(2)(b), Florida Statutes. The Board shall approve such

claims and authorize the payment thereof provided that the Board shall satisfy itself that the claim correctly states the facts and that such claim is entitled to payment in accordance with the provisions of this section.

4. When an SRP who is eligible for and receiving Workers' Compensation benefits is released to light or modified duty, benefits to which the SRP is eligible under Chapter 440, Florida Statutes, shall be paid while the Board seeks additional information regarding the medical condition, medical limitations, and/or medical restrictions of the SRP, or while the Board determines the most appropriate duty placement for the SRP.

SECTION C - Assault, Battery, or Threat Against an SRP; Disability or Death of an SRP

1. Any case of assault or battery upon or threat against an SRP in the performance of his/her duty shall be promptly reported to the worksite supervisor. SRP who are involved in such cases shall not lose regular salary and benefits for any time lost from their duties when their presence is required before a judicial body. The Board shall provide legal counsel to advise the SRP of his/her rights and obligations in respect to such assault or battery or threat and shall promptly render assistance necessary to the SRP in connection with the handling of the incident by law enforcement and judicial authorities.

In Addition, any threat of personal injury or property damage made by a student toward an SRP shall be assessed through the district's Violence Intervention Procedures for Elementary or Secondary Schools to determine the credibility of such threat. When administration has been notified properly the student shall not have direct contact with the SRP during school hours or on school property until the threat assessment is concluded and the SRP is notified of the results. If the threat is made by a person not under the jurisdiction of the school board, the SRP will not be required to meet with that person until the matter has been investigated and documented by the worksite supervisor and the SRP has been notified of the results of that investigation. The SRP has the right to have an administrator present at any future meetings with the person making the threat.

2. Any student found to have committed assault or battery against an SRP will be subjected to disciplinary action as provided in the Code of Student Conduct.
3. Compensation for death or disability shall be paid in accordance with the provisions of the Workers' Compensation Law.

SECTION D - Personal Property

1. The Board shall establish an account for the purpose of reimbursement to any SRP upon proof of claim for clothing and/or personal property destroyed or damaged as a result of any assault or vandalism upon said SRP in the course of fulfilling his/her employment responsibilities or from any act by the SRP for the purpose of preventing injury to persons or damage to property located on the worksite during any worksite-related activity. The reimbursement of damaged or vandalized personal property (other than motor vehicles) is limited to those items that the SRP uses to perform his/her job and/or duty responsibilities. Theft of cash or any other personal property is not covered by this provision. No claim covered under other provisions of this Agreement shall be paid from this account.
2. In order to provide for the reimbursement of personal property under this Section, the Board shall budget a sum of \$2,000.00 for each year. If any portion of this account is not expended in any year of this Agreement, an amount equal to the unexpended sum shall be budgeted in addition to a sum of \$2,000.00 for the following year.
3. If said clothing and/or personal property is insured, the SRP must submit a claim to the appropriate insurance company. In the event of full reimbursement for such claim, the Board shall make no payment. If the insurance company reimburses all but the deductible amount specified in the SRP's policy, the Board will pay an amount equal to the deductible amount not to exceed \$500.00. If the claim is for less than the deductible amount specified or the clothing or personal property is not insured, the Board will pay an amount equal to the current value of the property not to exceed \$500.00. In determining the current value of personal property, factors such as the age, condition, and current replacement cost of the personal property will be considered by the Board.

4. In order to receive reimbursement, the SRP must report the damage to the worksite supervisor as soon as possible and complete the Comprehensive Accident/Injury/Loss form and submit it to the worksite supervisor.
5. After review of the initial request for reimbursement, the Board may require additional information and/or documentation related to the request, including a second estimate if the reported damage is to the SRP's personal vehicle. After review of the submitted information, the Board will provide to the SRP a written statement as to whether the request for reimbursement has been approved. If the request for reimbursement is approved, the Board will state in writing that the request was approved, and state with particularity and limitation(s) on the amount which may apply to the request. If the request is not approved, the Board will state in writing the reason(s) why the request for reimbursement was not approved. In cases which involve personal property other than motor vehicles, the Board may require that the damaged property be submitted to the Board's representative before the Board authorizes reimbursement to an SRP for the replacement and/or compensation for the value of damaged property.
6. In the event the claim is for vandalism to the SRP's personal vehicle, a copy of his/her automobile insurance policy declaration page and an estimate for repair must be included with the Comprehensive Accident/Injury/Loss form.
7. Payment of the claim is subject to approval by the USEP President and the Director of Employee Relations.

SECTION E - Liability

The Board agrees to maintain liability coverage of not less than that currently in force as stipulated in the agreement(s) with Arthur J. Gallagher and Company and pertinent insurance carriers for the duration of this Agreement. Any SRP who has any claim under provisions of said policy may file such claim with the Board. The Board shall process all claims filed in accordance with this section provided that the claim falls within the incidents covered under such policy.

SECTION B - Fringe Benefits

1. The Board agrees to contribute an annual rate of no more than \$5799.29 toward the cost of the benefits package for the 2011 insurance plan year.
 - a. An alternative Health Opt-Out program will be provided for bargaining unit members who declare that they have health coverage through another provider and who do not choose one of the Board-approved health plans. The amount paid to opt-out program participants will be \$1,200.00 per year.
 - b. SRP Retiree Health Opt-Out Program: Effective January 1, 2004, the Board implemented a Retiree Health Opt-Out Program for those retirees who are eligible for district-paid group health insurance in accordance with Article XI, Section F-1 and 2 of SRP Master Contract and who are enrolled in a comparable major medical health insurance plan through another carrier.
 1. When a retiree enrolls in the Retiree Health Opt-Out Program, the Board will pay the retiree the amount being paid to active employees who are participating in the opt-out program. Such amount is subject to federal income tax. An annual payment for the number of months the retiree participates in the Retiree Health Opt-Out Program will be issued in a lump sum in December of the plan year or upon termination of eligibility, whichever occurs first. A participant in the Retiree Health Opt-Out Program will not be required to contribute to the board his/her FRS Health Insurance Subsidy.
 2. A participant in the Retiree Health Opt-Out Program may reenroll in the district-paid group health insurance plan only if he/she is no longer covered by another major medical health insurance plan. Within thirty (30) calendar days following the date of cancellation/termination of the other major medical health insurance plan, the retiree wishing to reenroll in district-paid group health insurance plan must submit to the district's department of Employee Benefits, Assistance, and Risk Management (EBARM) a written request to reenroll, completed application forms, and a letter from the previous major medical carrier or employer stating date of cancellation/termination of coverage. The letter must be on letterhead from the major medical carrier or employer, include the cancellation/termination date of coverage, and signature of the benefit administrator of the major medical carrier or employer. The effective date of coverage of the district-paid group health insurance coverage will be the first day of the month following the submission of the written request, application, and related documents. The district does not guarantee continuous health coverage.
 3. A retiree who fails to reenroll in the district-paid group health insurance plan in accordance with the timelines set forth in the above paragraph will remain in the Retiree Health Opt-Out Program until Medicare eligible or may elect to reenroll in the Board's retiree healthcare plan during the next regularly scheduled open enrollment for benefits to be effective January 1 of the following calendar year.
2. It is agreed that the Board and the Union shall appoint an Insurance Committee consisting of six (6) members, three (3) representing the Board and three (3) representing the Union, for the purpose of reviewing rates and investigating and recommending coverages to the Board and the Union for the purpose of negotiating the aforementioned insurance in subsequent years. The Committee shall meet no later than April 1 of each year.
3. Eligibility
 - a) Bus Drivers, and Transportation Assistants who work four (4) hours or more per day or twenty

- (20) hours or more in each normal working week for ninety (90) days or more per year shall be eligible for insurance benefits to the same extent as full-time SRP. If a Bus Driver or Transportation Assistant works enough hours to receive insurance benefits at any time during the school year, he/she will retain insurance benefits for the remainder of the school year even if his/her hours drop below the minimum required for coverage unless he/she volunteers to have his/her hours reduced below the number of hours required to earn benefits.
- b) Food and Nutrition Services employees who work five (5) hours or more per day or twenty-five (25) hours or more in each normal working week for ninety (90) days or more per year shall be eligible for insurance benefits to the same extent as full-time SRP. Food and Nutrition Services employees eligible for insurance benefits contracted as of November 1, 1996 shall continue to receive insurance benefits until such time as their employment with the district is terminated unless such employees volunteer to have their hours reduced below four (4) hours. If a Food and Nutrition Services Assistant who becomes eligible to receive insurance benefits on or after November 1, 1996 works enough hours to receive insurance benefits at any time during the school year, he/she will retain insurance benefits for the remainder of the school year unless he/she volunteers to have his/her hours reduced below the number of hours required to earn benefits.
 - c) All other SRP who work six (6) hours or more per day or thirty (30) hours or more in each normal working week for ninety (90) days or more per year shall be eligible for insurance benefits to the same extent as full-time SRP. SRP eligible for insurance benefits on November 19, 1987 shall continue to receive insurance benefits as long as they maintain current eligibility until such time as their employment with the district is terminated. If an SRP earning insurance benefits on November 19, 1987 drops below the work hours necessary to earn insurance benefits, he/she will retain insurance benefits for the remainder of the school year unless he/she volunteers to have his/her hours reduced below the number of hours required to earn benefits. When the SRP's hours are increased to at least four (4) hours, he/she again would earn insurance benefits.
- 4. Insurance benefits are effective the first day of the month following the SRP's completion of one calendar month of employment in a benefit earning position. If dependent coverage is desired, it must carry the same effective date as employee coverage.
 - 5. All SRP shall be given the option of choosing dependent coverage, and the cost of such coverage which exceeds the individual premium cost shall be deducted, upon authorization, from said SRP's salary warrant. The rates for dependent coverage shall be provided to the Union prior to the annual open enrollment period and to the bargaining unit members on the first day of the annual open enrollment period.
 - 6. The open enrollment for insurance benefits shall be a minimum of thirty (30) days during the period this activity was accomplished during the 1987-88 fiscal year. A change in this period in subsequent years may be made with the mutual consent of the Board and the Union.
 - 7. Any SRP whose dependent status changes who wishes to add or delete dependent coverage after the enrollment period shall be restricted only by the provisions as stated in the Benefit Enrollment/Change Form (MIS #161).

SECTION C - Payroll Deduction for Additional Benefits

- 1. The parties agree that the Union will be provided with two (2) payroll deduction slots in addition to the dues deduction slot. These slots will be used for Union-designated programs to include but not be limited to purchasing additional insurance, annuity, or other related benefits; voluntary Political Action Committee (PAC) donations; or other Union-sponsored voluntary deduction programs for bargaining unit members.
- 2. The Union agrees to reimburse the Board for any actual start-up programming costs incurred which are normally charged to other groups who benefit from payroll deduction services.
- 3. A single payment will be remitted after each pay period to a depository designated by the Union for each of the two (2) additional payroll deduction slots.

SECTION D - Early Retirement Monthly Benefit

1. Effective January 1, 1997, the Board shall provide an early retirement benefit for all SRP who:
 - a) are fifty (50) years of age or older at the time of retirement,
 - b) have twenty-five (25) or more years of creditable FRS service,
 - c) have reached the final step on his/her salary schedule,
 - d) have completed twelve (12) years of Pasco service, the last ten (10) of which must be Pasco continuous service, and
 - e) have retired under the Florida Retirement System (FRS) Defined Benefit Plan (Pension Plan) or who retires with any vested benefit in the Defined Benefit Plan (Pension Plan).

Qualifying SRP who choose to retire early on or after July 1, 2001, will receive the early retirement benefit in accordance with the following:

- f) SRP who are at least fifty (50) years of age but less than fifty-five (55) years of age at the time of early retirement will receive an amount equal to thirty-five percent (35%) of the unreduced FRS retirement benefit. The unreduced FRS retirement benefit is calculated using the premise of the SRP being sixty-two (62) years of age at the time of retirement.
- g) SRP who are at least fifty-five (55) years of age but less than sixty-two (62) years of age at the time of early retirement will receive an amount equal to one-hundred percent (100%) of the difference between the unreduced FRS benefit and the reduced FRS early retirement benefit.

At the time of early retirement, if the early retirement monthly benefit described in f) or g) above has a single sum value (present value) of less than five thousand dollars (\$5,000) as of the date the early retirement monthly benefit is first effective, then the Board will provide a one-time lump sum payment equal to the single sum value (present value) of the early retirement monthly benefit.

In lieu of the benefits described in f) and g) above, any eligible SRP choosing to retire early and who has out-of-state service, or any other qualifying service, and is eligible to purchase such service according to FRS rules and regulations, the Board may purchase such service if the purchase of such service would total thirty (30) years and enable the employee to full retirement under FRS. It is clearly understood that the Board shall provide the monthly benefit or purchase out-of-state service, or any other qualifying service, whichever is more economical for the Board.

2. This provision shall not prohibit the Board from paying additional retirement bonuses provided for in this Agreement or future bonuses agreed to by the Board and the Union.
3. No employee shall be required by the Board to take advantage of the provisions of this article.
4. If an employee chooses one of these aforementioned early retirement options, the Board will have no further obligation toward his/her retirement benefits.
5. SRP who select one of these aforementioned early retirement options are required to retire from the Florida Retirement System (FRS) and terminate their employment with the district. Therefore, such SRP are not eligible to participate in the Deferred Retirement Option Program (DROP) as the DROP requires an SRP to retire from the FRS yet continue to work within the district.

SECTION E - Deferred Retirement Option Program (DROP)

1. Effective July 1, 1998, employees who qualify for the Deferred Retirement Option Program (DROP) may elect to participate in that program as provided by the procedures set forth by the district and by Florida Statute 121.091. An employee's salary, benefits, terms, and conditions of employment as specified in this Agreement will remain in full force during the employee's participation in DROP. An employee can void his/her DROP participation at the DROP termination date, re-enroll in FRS, and continue in his/her current position in the district, by making such request in writing to the Board at least thirty (30) calendar days prior to his/her original DROP termination. An employee may resign his/her employment with the Board and terminate his/her participation in DROP prior to the original DROP termination date by submitting an amended resignation to the Board.
2. Employees who elect to enter DROP and who elect to receive a lump-sum payment of accrued vacation (annual) leave earned in accordance with Article VIII, Section B-5 of the SRP Master Contract upon beginning participation in DROP, shall have said lump-sum payment paid into a Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan subject to annual contribution limits. Employees who receive a lump-sum payment of accrued vacation

(annual) leave upon termination of DROP and termination of employment shall have said lump-sum payment paid into a Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan subject to annual contribution limits.

3. Effective July 1, 1999, employees who enter the Deferred Retirement Option Program (DROP) and are eligible for one hundred percent (100%) of their accumulated terminal sick leave in accordance with the Meritorious Attendance Incentive Pay Program, Article XI, Section G of the SRP Master Contract, shall have their accumulated terminal sick leave paid into a Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan subject to annual contribution limits and according to the following.
4. The initial payment will be made on June 30 following the employee's DROP effective date. Subsequent payments shall be made each June 30 following the employee's DROP effective date anniversary.

Payment	Payment Date	Maximum Percentage of Accumulated Terminal Sick Leave Days
1	June 30	23.3%
2	June 30	25.6%
3	June 30	36.0%
4	June 30	50.8%
5	June 30	86.1%
6	Upon Separation	100.0%

5. The rate of pay used to calculate the amount to be placed in the 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan shall be the employee's rate of pay upon entering DROP or the employee's rate of pay on each payment date. The employee must elect the rate of pay option upon entering DROP. The rate of pay used for the Employer Paid 403(b) Plan is the same rate of pay used in the 401(a) Qualified Retirement Plan.
6. The 401(a) Qualified Retirement Plan and the Employer Paid 403(b) Plan allows participating employees to defer federal income tax and permanently avoid the payment of Social Security tax and Medicare tax on eligible plan contributions.
7. Employees/DROP participants do not have access to these funds until after they terminate their employment.
8. Employees of the Board who enter the Deferred Retirement Option Program (DROP) remain eligible for Sick Leave Bank participation. However, terminal sick leave days that have been paid to the Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan shall be treated as if those days still remain in the employee's accumulated terminal sick leave balance when determining commencement of sick leave bank benefits, so long as the employee has met the requirements of the sick leave bank appropriate to his/her bargaining unit contract.

Fund Withdrawal: Employees under fifty-five years of age

9. All participating employees who are under fifty-five (55) years of age at the time of termination and choose at the time of termination to take a cash distribution in the amount of one hundred percent (100%) of their respective balance from the Board-approved 401(a) Qualified Retirement Plan and and/or an Employer Paid 403(b) Plan are assessed a ten percent (10%) withdrawal penalty, shall be reimbursed 2.35% of the withdrawal by the Board. This reimbursement is an amount equal to the difference between the ten percent (10%) withdrawal penalty and the current Social Security and Medicare combined tax contribution rate of 7.65%. If the withdrawal penalty and/or Social Security and Medicare tax rates change, the Board and Union agree to renegotiate the reimbursement rate. If a fee is charged to process the IRS 1099 form, the Board will reimburse these same employees the one-time administrative fee.
10. Upon separation of service or a June 30 payment of accumulated sick leave and maximizing the 401(a) Qualified Retirement Plan contribution, any remaining terminal pay for accrued sick leave or vacation leave, subject to Board and State limitations, will be deposited in an Employer Paid 403(b) Plan. The Employer Paid 403(b) Plan is similar to the 401(a) Qualified Retirement Plan except for contribution limits.

SECTION F - Retiree Health Care Premium

1. For SRP who retire after January 1, 1997, and who were eligible for insurance benefits at the time of retirement, the Board agrees to contribute the same amount toward the retiree's health premium each year as it does toward the premium of a regular employee. The contribution will begin upon retirement and continue until the retiree is eligible to receive Medicare benefits.
2. This contribution is contingent upon the retiree meeting all of the following conditions:
 - a) thirty (30) years of service under the FRS or at least twenty-five (25) years of service under the FRS and is at least age fifty (50) at retirement;
 - b) at least twenty (20) years of service in the Pasco district;
 - c) contributes his/her Health Insurance Subsidy received from the State of Florida toward the cost of the medical premium; and,
 - d) continues to participate in a Board-sponsored health plan after his/her retirement.
3. Effective July 1, 2000, if an SRP retires as a result of full disability, funds from the insurance fund's retained earnings will be used to contribute the same amount toward the retiree's health premium (medical, dental, and vision) each year as the Board does toward the premium of a regular employee. The contribution will begin upon retirement and continue until the retiree receives Medicare benefits or until twenty-four (24) months have elapsed from the date of retirement, whichever comes first.

This condition is contingent upon the retiree meeting all of the following conditions:

- a) the SRP must have completed at least ten (10) years of creditable service under the Florida Retirement System (FRS);
- b) the SRP must have completed at least ten (10) years of service in the district;
- c) the SRP must be approved for full disability retirement under the FRS and have provided the district with proof of application for full disability retirement under the Social Security Administration;
- d) the SRP must contribute his/her Health Insurance Subsidy received from the State of Florida toward the cost of the health premium; and,
- e) continues to participate in a Board-sponsored health plan after his/her retirement.

SECTION G - Meritorious Attendance Incentive Pay

1. Retirement Incentives

The District School Board of Pasco County will provide meritorious attendance incentive pay to members of the bargaining unit at normal retirement (retirement under any established retirement plan with full or reduced benefits as provided by law) or to the bargaining unit member's beneficiaries if service is terminated by death. Meritorious attendance incentive pay shall be determined as follows:

- a) During the first three (3) years of service in a Florida school district, the daily rate of pay multiplied by 35 percent (35%) times the number of days of accumulated Sick Leave credited with the District School Board of Pasco County.
- b) During the next three (3) years of service in a Florida school district, the daily rate of pay multiplied by 40 percent (40%) times the number of days of accumulated Sick Leave credited with the District School Board of Pasco County.
- c) During the next three (3) years of service in a Florida school district, the daily rate of pay multiplied by 45 percent (45%) times the number of days of accumulated Sick Leave credited with the District School Board of Pasco County.
- d) During and after the tenth (10th) year of service in a Florida school district, the daily rate of pay multiplied by 50 percent (50%) times the number of days of accumulated Sick Leave credited with the District School Board of Pasco County.
- e) During and after the fifteenth (15th) year of service in the Pasco school district, the daily rate of pay multiplied by 75 percent (75%) times the number of days of accumulated Sick Leave credited with the District School Board of Pasco County.

- f) During and after the twentieth (20th) year of service in the Pasco school district, the daily rate of pay multiplied by 100 percent (100%) times the number of days of accumulated Sick Leave credited with the District School Board of Pasco County.
- g) The Board will provide a 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan that defers federal income tax and permanently avoids the payment of Social Security and Medicare tax on meritorious attendance incentive pay for those employees retiring under the Florida Retirement System (FRS) with full or reduced benefits and who meet the following:

Service	Minimum Accumulated Sick Leave Balance
Ten (10) years creditable FRS service	240 hours
During and after the 15th year of service in the Pasco County School District	160 hours
During and after the 20th year of service in the Pasco County School District	120 hours

Subject to annual plan contribution limits and the requirements specified above, payment to a Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan shall be credited in the name of the employee upon retirement.

Fund Withdrawal: Employees under fifty-five years of age

All participating employees who are under fifty-five (55) years of age at the time of termination and choose at that time to take a cash distribution in the amount of one hundred percent (100%) of their respective balance from the Board-approved 401(a) Qualified Retirement Plan and/or an Employer Paid 403(b) Plan and are assessed a ten percent (10%) withdrawal penalty, shall be reimbursed 2.35% of the withdrawal by the Board. This reimbursement is an amount equal to the difference between the ten percent (10%) withdrawal penalty and the current Social Security and Medicare combined tax contribution rate of 7.65%. If the withdrawal penalty and/or Social Security and Medicare tax rates change, the Board and Union agree to renegotiate the reimbursement rate. If a fee is charged to process the IRS 1099 form, the Board will reimburse these same employees the one-time administrative fee.

2. Plan Contributions

Upon separation of service and maximizing the 401(a) Qualified Retirement Plan contribution, any remaining terminal pay for accrued sick leave or vacation leave, subject to Board and State limitations, will be deposited in an Employer Paid 403(b) Plan. The employer Paid 403(b) Plan is similar to the 401(a) qualified Retirement Plan except for contribution limits.

3. Separation Incentives

If employment is terminated for any reason other than retirement or death, members of the bargaining unit shall receive one-half (1/2) the percentage of all accumulated Sick Leave as stipulated in the schedule in Article XI, Section G, paragraphs 1(a), 1(b), 1(c), 1(d), 1(e), and 1(f). This language shall not apply to employees who choose to transfer their accumulated Sick Leave to another Florida school district.

SECTION H - Group Medical Benefits Recovery Incentive Program (Indemnity-PPO and HMO Programs)

The District School Board of Pasco County agrees to establish a Group Medical Benefits Recovery Incentive Program. This program is designed to provide a cash incentive to employees who discover and arrange for the recovery by the Group Benefits carrier/administrator of overcharges made on their own or insured dependents' medical bills which in turn result in benefit dollars saved by the employees' Group Medical Benefits Plan. This program will be in effect only when the medical carrier/administrator agrees to its provisions.

1. The cash incentive paid to an insured employee who discovers an overcharge on a medical bill for that employee or his/her dependent and paid as an allowable charge by the School Board benefits carrier/administrator shall be fifty percent (50%) of the amount of the overcharge that is recovered by the benefits carrier/administrator as a result of direct negotiation between the employee and the provider and shall be limited to a maximum of \$1000 for each overcharge. No refund shall be made

- to the insured employee until the group carrier/administrator receives the actual refund from the provider of service.
2. For purposes of the cash incentive, only hospital expenses, clinical laboratory charges, physician fees, and other eligible medical expenses covered by the Group Benefits Plan shall be considered in determining the amount payable to insured employees under this program.
 3. The employee shall contact the Union office to obtain a Request for Reimbursement form and procedures. After the overcharge has been recovered, the Group Medical Benefits carrier/administrator shall disburse a check to the employee in the amount of the cash incentive. Cash incentives are considered income to employees for tax purposes and subject to being reported on their federal income tax return.
 4. The Board shall not get involved in resolving any differences between the employee and the medical providers of service with respect to disputed charges. Insured employees shall be solely responsible for handling such disputes.

3. In order to receive credit for a year of Pasco continuous service, an SRP must be in paid duty status one day more than one-half (1/2) of his/her work year. However, in the event an SRP is reassigned or promoted, credit will be given if that person would have received credit in either position. An SRP who receives credit for a year of Pasco continuous service will advance one (1) step on the salary schedule.
4. Pay dates for the 2011-2012 school year and the number of salary warrants will be negotiated during the 2011-2012 negotiations.

2. The Service Factor is determined by multiplying nine hundredths (.09) times the number of years of Pasco district employment, times the number of hours worked daily, times the length of the individual SRP's work year to equal an amount. The amount is spread equally over the SRP's pay dates.
3. SRP eligible to receive the Service Factor will receive an additional eighty cents (\$.80) per hour.
4. As per the 2010-2011 SRP Economic Proposal, the Longevity and Service Factor will continue to be paid at the 2007-2008 rates and levels. END OF ADDENDUM A

ADDENDUM B

Federal Drug and Alcohol Testing Program for Holders of Florida

Class A or B Commercial Drivers' Licenses

The Board and Union recognize that employees who are required to hold a Class A or Class B Commercial Drivers License (CDL) as a condition of employment and/or who, in the course of their employment, may be required to drive a vehicle for which a Florida Class A or B Commercial Drivers License is required (hereinafter referred to as *covered employees*) must comply with the Omnibus Transportation Employee Testing Act of 1991 (OTETA), regulations of the Federal Highway Administration contained in 49 CFR Parts 40 and 382, et al., and Section 1012.45, Florida Statutes.

Notification

The Board shall provide all covered employees with educational materials that explain the requirements of the Program and the Board's policies and procedures with respect to meeting these requirements. Each employee who has received a copy of these materials shall be required to sign a statement certifying that he/she has received a copy of these materials.

Testing

Testing of covered employees shall be done in accordance with applicable Federal and State law. The employee shall be paid his/her regular hourly rate for the time involved for such testing beyond the employee's normal working hours unless such testing results in an employee working beyond forty (40) hours that week. In such cases, the employee shall be compensated at one and one-half (1 1/2) times his/her regular hourly rate unless exempt from the overtime provisions of the Fair Labor Standards Act. Refusal to report for testing when notified to do so shall be considered a positive test.

Positive Test Results for Alcohol or Prohibited Substances

If a covered employee tests .02 to .039 for breath alcohol, he/she shall be removed from performing the duties of his/her safety-sensitive position for twenty-four (24) hours. If the employee has accrued Sick or Vacation Leave, he/she shall be permitted to use such leave during this period. A conference may be held with the employee in an attempt to determine why he/she tested .02 to .039 so as to prevent recurrence.

If an employee tests .04 or higher for breath alcohol or tests positive for any prohibited substance, he/she shall be removed from performing the duties of his/her safety-sensitive position, and he/she shall be referred to a substance abuse professional. In addition, there will be other employment consequences which may include termination. In the event that the primary specimen confirms the presence of prohibited substances, and the employee believes there has been an error in the analysis, he/she may request that the split specimen be tested. The cost of this second analysis shall be the responsibility of the employee. However, should this analysis produce a negative result, the Board shall reimburse the employee for the cost.

Reasonable Suspicion

When a supervisor believes that a covered employee is in violation of OTETA regulations, he/she shall confer with the district OTETA administrator or designee who shall decide whether to proceed further. If the OTETA administrator or designee meets with the employee for the purpose of notifying him/her that reasonable suspicion testing will be required, he/she shall do so in conjunction with a trained supervisor. A Union representative shall be permitted to attend the meeting with the right to ask questions for the purpose of clarification. Because time is important when giving an alcohol test, the meeting will not be delayed if the Union representative is unable to be present at the specified time for the meeting to begin. During the meeting, the OTETA administrator will cite the indicators which led to the reasonable suspicion, and the employee shall be given an opportunity to give an explanation if he/she desires.

Confidentiality

Confidentiality required by OTETA regulations will be observed, and no voluntary report of a test required by these regulations shall be made to the Florida Department of Highway Safety and Motor Vehicles.

END OF ADDENDUM B

ADDENDUM C

Asbestos Exposure Procedure

In compliance with the requirement of the Asbestos Hazard Emergency Response Act (AHERA), 40 CFR Part 763 Section 91, the District School Board of Pasco County (DSBPC) has implemented an operations, maintenance, and repair program to deal with the disturbance of non-intact asbestos containing materials and intact materials that may become non-intact as a result of construction or maintenance activities. Furthermore, the DSBPC in adherence with the Occupational Safety and Health Administration's construction standard for asbestos, 29 CFR 1926.1101, assumes certain building materials to be asbestos in buildings constructed prior to 1981. However, in all cases where information, data, and analysis supporting the determination that the assumed or Presumed Asbestos Containing Material (PACM) does not contain asbestos, then the material is considered a non-asbestos containing material.

If materials that are suspect or PACM are encountered during the performance of their work, and these materials were not identified to them before the commencement of their work, employees are required to stop and inquire through their immediate supervisor to determine if the status of the material is known.

In these situations, it is the policy of the DSBPC that no employee will proceed with his/her work until verification of the material has been made and any asbestos content determined. This determination will be made either through existing information contained in the AHERA Management Plan, or by collecting a sample of the material and sending the sample to a certified laboratory for analysis.

In the event an employee has disturbed a material believed by him/her to be asbestos, the following procedures will immediately be implemented:

1. All employees in the immediate area will stop work.
2. The area around the place where the PACM has been disturbed will be cleared of all personnel.
3. The affected employees will contact their immediate supervisor or the DSBPC's environmental staff. Any supervisor who has been notified of a potential asbestos disturbance must immediately notify the DSBPC's environmental staff.
4. The area will be regulated and entry into the area will be restricted to authorized personnel only. Signs will be displayed on all approaches to the area to prevent unauthorized persons from entering.
5. In compliance with AHERA, situations where more than three (3) square feet or three (3) linear feet of non-intact (friable) PACM has been disturbed, the air conditioning system for the affected area will be shut off to prevent the possible distribution of fibers to other areas of the building.
6. As soon as the area is secure and the incident has been reported, the affected employee(s) must proceed to the nearest shower facility and either take a shower, or as a minimum precaution, wash his/her face, hands, and hair.
7. In addition, if an employee has been exposed to non-intact (friable) PACM, he/she must take the following precautions. Place any clothing thought to have been exposed to a PACM into a plastic bag or other sealable container. The clothing must remain sealed in this container until the PACM has been analyzed or identified as a non-asbestos containing material. If the PACM is determined to be asbestos containing, the clothing will be disposed of as an asbestos waste. Replacement clothing of equal value and type will be purchased from funds provided in Article IX, Section D of the SRP Collective Bargaining Agreement. Work boots will be HEPA vacuumed, wet-wiped, and reused.

Following notification of the incident to the environmental staff, a cross-reference of the facilities AHERA Management Plan will be made to determine if the material has been previously identified, sampled, and analyzed. If the material cannot be referenced, it will be assumed that the disturbance has been of an asbestos containing material and the environmental staff will dispatch a clean-up crew through a DSBPC approved abatement contractor. The complete area will be cleaned using asbestos cleaning techniques. Either the DSBPC's Environmental Specialist or a representative of the environmental consulting company will proceed to the site and collect samples of the suspect material for analysis and identification.

In situations where the asbestos content of a material is unknown the site will be considered an asbestos contaminated area until the analysis of samples collected indicate otherwise.

The DSBPC intends to continue to use certified asbestos contractors for the removal of asbestos containing materials in conjunction with maintenance personnel performing small maintenance projects on intact (non-friable) materials.

ADDENDUM D

Reasonable Suspicion Drug Testing Program

As part of its commitment to safeguard the health of its employees, to provide a safe place for its employees to work and our students to attend, and to promote a drug-free working environment, the Pasco County School Board (Board) has established this Reasonable Suspicion Drug Testing Program (Program) relating to the abuse of drugs (including alcohol) by its employees.

This Program has been prepared so as not to conflict with public policy, and further, not to be discriminatory or abusive. The ultimate goal of the Program is to balance the Board's respect for privacy with its need to keep a safe, productive, drug-free environment. Reasonable suspicion drug testing shall be required by a supervisor or designee, outside the bargaining unit, who has been trained for at least sixty (60) minutes on alcohol misuse and an additional sixty (60) minutes on controlled substance misuse. All test results will be kept confidential to the extent allowed by law.

Employees who engage in prohibited drug-related conduct as verified by the testing results must be immediately removed from duty.

Any employee who is in violation of the Program shall be subject to discipline up to and including dismissal or required to participate in and complete a drug-abuse or alcohol rehabilitation program (rehabilitation program) as a condition of continued employment. The opportunity to participate in a rehabilitation program as a condition of continued employment will be offered only to employees who test positive for drugs or alcohol and who have not been previously found to be in violation of any provision of this Program. The employee is responsible for all costs associated with the rehabilitation program and will provide evidence of satisfactory completion of all phases and terms of the rehabilitation program to the Board. The rehabilitation program will include the involvement of a Substance Abuse Professional (SAP) approved by the Board. The SAP will evaluate the employee and make recommendations relative to fitness to return to work, appropriate education, treatment, follow-up tests, and aftercare. The employee will sign an authorization and release of information form allowing the SAP to release, and the Board to obtain, information relative to the employee's progress in the rehabilitation program. The employee will be on leave pending the successful completion of the rehabilitation program. The employee may use accrued sick leave during this period if available; otherwise the leave will be unpaid. Upon completion of the rehabilitation program, the employee will be returned to work in a position similar to the position held when the violation occurred and for which he/she is qualified in the judgment of the Superintendent. An employee returning to work following successful completion of a rehabilitation program will be subject to random unannounced follow-up testing for one calendar year or longer if required by the SAP as part of the rehabilitation program.

The provision allowing entry into a rehabilitation program does not preclude the employee from being disciplined for other violations of the Program or other behaviors which would otherwise subject the employee to discipline up to and including termination of employment. These other behaviors include an employee's actions or behaviors at the time suspected drug or alcohol misuse is determined.

When a meeting is called to inform an employee that reasonable suspicion testing is required, a Union representative shall be permitted to attend the meeting with the right to ask questions for the purpose of clarification. Because time is important when giving tests, the meeting will not be delayed if the Union representative is unable to be present at the time specified for the meeting to begin. During the meeting, the supervisor calling the meeting will cite the indicators, which led to the reasonable suspicion, and the employee shall be given an opportunity to give an explanation if he/she desires.

Any employee who is discharged from the rehabilitation program for unsuccessful participation will be recommended for termination from employment. Any employee who is in violation of the Board's Program a second time will be recommended for termination from employment.

Definitions

"Drug" is defined as: alcohol, including a distilled spirit, wine, a malt beverage, or an intoxicating liquor; an amphetamine; a cannabinoid; cocaine; phencyclidine (PCP); a hallucinogen; methaqualone; an opiate; a barbiturate; a benzodiazepine; a synthetic narcotic; a designer drug; or a metabolite of any of the substances listed in this paragraph. Employees tested under reasonable suspicion testing shall be tested for the following drugs: cannabinoids, cocaine, opiates (morphine), amphetamines, phencyclidine (PCP), and alcohol.

Notification

Prior to implementation, the Board will provide all employees with an orientation that includes educational materials that explain the requirements of this program and the Board's policies with respect to these requirements. Each employee who has received these materials shall be required to sign a form certifying that he/she has received a copy of the materials.

An employee may be subject to a drug-screening test under any of the following circumstances:

1. Where there is a finding of reasonable suspicion based on specific facts and inferences reasonably drawn from these facts in light of experience, which would lead a prudent person to reasonably suspect that the employee was under the influence of illegal drugs or alcohol.
2. When an employee's conduct or appearance is directly observed or perceived as indicative of being under the influence of a drug or alcohol during work time. It is the Board's intention that such an observation be made by two or more supervisors trained in alcohol and controlled substance misuse before requiring a reasonable suspicion drug test. However, this is not a requirement.
3. When an employee is found in possession of suspected illicit drugs or drug paraphernalia, or when suspected illicit drugs or paraphernalia are found in an area controlled or used exclusively by the employee.
4. As part of a rehabilitation program or as specified in the agreement.
5. Evidence that an employee has used, possessed, sold, solicited, or transferred drugs while working or while on school board property.

Testing

Testing of employees shall be done in accordance with the applicable Federal and State law.

Refusal to submit to a drug-screening test is defined as:

1. Failing to provide adequate breath for alcohol testing without a valid medical explanation;
2. Failing to provide adequate urine for drug testing without a valid medical explanation;
3. Engaging in conduct that clearly obstructs the testing process; or
4. Tampering with a drug test

Failure to comply or provide an adequate urine or breath sample, absent a documented and verified medical excuse, shall be determined to be a positive test result.

Follow-up Testing

Should the employee successfully complete the drug-abuse or rehabilitation program, the employee, upon returning to work, shall be subject to follow-up drug or alcohol testing as determined by the SAP or as specified in this agreement.

This program will take effect on September 1, 2008.

Employees in safety sensitive positions covered by provisions of the Omnibus Transportation Testing Act (OTETA) as outlined in Addendum B of this agreement are not subject to this program.

End of ADDENDUM D

MUTUAL PROPOSAL

April 25, 2011

School Related Personnel Economic Proposal 2010-2011

Due to the third year of severe financial crisis in the State of Florida, education funding for all school districts continues to suffer. In addition, most school districts, including Pasco County, face fewer student enrollments than projected, thus further exacerbating funding shortfalls. Federal stimulus dollars, which are non-recurring funds, were included in the State education funding formulas and are not guaranteed beyond this school year. Therefore, in light of these unprecedented financial circumstances, the District and Union have agreed to the following economic components in an effort to preserve jobs and benefits.

As a result of the federal *Education Jobs Fund Act* that was signed into law on August 10, 2010, the Florida Department of Education received \$554,821,008 to be divided among the various school districts, including the District School Board of Pasco County. \$2,100,000 of the District's EduJobs funding was used to avoid furlough days for the 2010-2011 school year. All remaining EduJobs funding will be used to maintain compensation levels during the 2010-2011 school year and avoid some of the layoffs that would have otherwise resulted during the 2010-2011 and 2011-2012 school years.

1. Salaries

a) Salary Schedules

1) For 2010-2011 SRP will be paid at the 2009-2010 salary levels. Salary schedules will be adjusted to reflect that eligible SRP receive a year of experience credit; however, salary schedule steps will reflect annual compensation at 2009-2010 levels.

2) As per the 2010-2011 SRP Economic Proposal, the Longevity and Service Factor will continue to be paid at the 2007-2008 rates and levels. Effective with the 2008-2009 school year, SRP who were entitled to Longevity and Service Factor payments based upon experience and salary schedule placement will be entitled to a year of service credit but will not be entitled to the incremental increase in Service Factor compensation for that year of service credit. Since the 2008-2009 school year, no SRP will become eligible for Service Factor or Longevity payments.

b) Supplement Schedule amounts and differentials will remain the same as during the 2009-2010 school year.

c) The intent of this proposal is to maintain SRP salaries at 2009-2010 salary levels. Should there be any deviations from this premise during implementation, the Board and the Union are authorized to correct these deviations. In addition, should the District's budgetary status improve during the 2010-2011 school year, the Board and the Union agree to meet to examine the possibility of compensation improvement.

2. Fingerprint Retention Fees:

The Board will continue to pay the fingerprint retention fee for SRP, estimated to be \$81,756 for the 2010-2011 school year.

3. Budgetary Committee

The Superintendent and Union President will mutually determine whether to continue the Budgetary Committee for the 2010-2011 school year. In the event, the Budgetary Committee is continued, the Superintendent and Union President will mutually agree to how the committee will function and membership selection, however the School Board may designate one member of the community to serve on the committee.

4. Retirement Incentives

The parties have agreed to offer an additional retirement incentive equal to ten percent of a qualifying employee's salary, not to exceed a total of \$5,000, for those employees who retire between June 6, 2011, and June 30, 2011. Employee eligibility requirements, timelines for participation, and other details specific to this incentive will be developed and communicated to employees when they are available. This incentive is in addition to any other retirement incentives to which the employees are entitled.

5. Fringe Benefits

The Board agrees to contribute \$5,799.29 (same amount as 2009-2010) per eligible employee toward the cost of the health insurance benefit package for the 2011 insurance plan year. The

Board's contribution will be used to pay those premiums associated with the fully-insured benefits contained in the health insurance benefit package, to pay all claims incurred and associated with the self-insured benefits contained in the health insurance benefit package, and to fund an insurance reserve account for the self-insured benefits contained in the health insurance benefit package. Should there be any surplus once the District has set aside funds to pay all fully insured premiums, all self-insured incurred claims, and funded the insurance reserve account to the level specified by the District's actuary, then such surplus will be applied to the insurance costs for the 2012 plan year. In addition, the alternative "opt-out" program shall be provided to bargaining unit members with existing coverage who do not choose one of the Board-approved health insurance plans. The amount of this "opt-out" will be \$1,200.

MEMORANDUM OF UNDERSTANDING

Impact of the Differentiated Accountability Model Upon Paraprofessionals' Qualifications

The 2009 State Legislature codified Florida's Differentiated Accountability Model into law, thereby affecting the required qualifications of paraprofessionals in Florida. By the start of the 2011-2012 school year, any school with a Differentiated Accountability designation will only be permitted to employ "highly qualified" paraprofessionals in positions where the paraprofessional assists with the instruction of students in reading, writing, or math. Additionally, to comply with Title I, Part A, the district is not permitted to hire any paraprofessionals unless they are highly qualified. The term "highly qualified" is defined by the federal Elementary and Secondary Education Act (ESEA), also known as the No Child Left Behind Act. In order to be considered "highly qualified," one of the following criteria must be met:

- an associate's or higher degree,
- two years of study at an institution of higher education, or
- a rigorous assessment of knowledge of and the ability to assist in instruction of reading, writing, and mathematics.

In 2003, the Board approved a "Staffing Quality Classrooms" plan to assist paraprofessionals responsible for the instruction of students in reading, writing, or math in meeting these requirements. This assistance included a five (5) day Methods for Assisting General Instruction in the Classroom (MAGIC) training to prepare individuals for the ParaPro assessment and additional training, tutoring, and assistance to those who were unable to pass the assessment on the first or second attempt. The Board also paid for up to two administrations of the ParaPro assessment. Paraprofessionals who met the "highly qualified" requirements were reclassified as Instructional Assistants and were awarded a \$1.00 per hour supplement. Over the two-year period, the vast majority of impacted paraprofessionals became "highly qualified."

At the end of the 2004-2005 school year, the Board transferred those impacted paraprofessionals in Title I schools who had not met the "highly qualified" criteria into positions for which they were qualified for at that time. All paraprofessionals who were subsequently hired into impacted positions were required to attain "highly qualified" status within two (2) years of being employed in an impacted position.

During the 2010-2011 school year, those paraprofessionals who have not yet attained the "highly qualified" status must do so to meet the required qualifications in order to retain their position for the 2011-2012 school year. The District School Board and United School Employees of Pasco agreed to the following:

- provide notification to employees that are affected by the Differentiated Accountability Model,
- provide opportunities for impacted paraprofessionals to take the Test of Adult Basic Education (TABE) through Adult Education Programs so that they can audit the General Equivalency Diploma (GED) Preparatory classes located throughout the District,
- communicate the locations and phone numbers of ParaPro assessment testing centers,
- hold the impacted paraprofessionals' positions until June 30, 2011, and
- reclassify those Paraprofessionals who meet the "highly qualified" requirements as Instructional Assistants and award a \$1.00 per hour supplement.

TO ALL PERSONS ELIGIBLE FOR MEMBERSHIP IN THE BARGAINING UNITS REPRESENTED BY THE UNITED SCHOOL EMPLOYEES OF PASCO (USEP):

As required by law, USEP represents all members of the Instructional and School Related Personnel (SRP) units at the bargaining table. Only dues-paying members of the USEP, however, are eligible for all other services provided by the Union, including processing of grievances and legal counsel in the event of duty-related difficulties. Should a member obtain outside representation and/or legal counsel, USEP will cease to provide representation. In addition, the costs of such outside representation and/or counsel will be borne solely by the member.

To be represented free of charge, the individual seeking assistance must have been a dues-paying member in good standing for a minimum of thirty (30) calendar days prior to the date upon which the problem occurred.

However, bargaining unit members who are new to the Pasco County school system and who have not previously been eligible for USEP membership will be entitled to receive the immediate benefit of the services described above if they join USEP during the first fifteen (15) working days of their employment. Any incident occurring after this fifteen (15) working day period will be subject to the thirty (30) calendar

day restriction mentioned above.

On occasion, USEP may elect to represent non-dues paying individuals. Such individuals may be required to pay annual membership dues and a professional service fee that will be based upon the complexity of the case.

Revised and adopted by USEP Representative Council August, 1995
