

MEMORANDUM OF UNDERSTANDING
Board Proposal
Technical High Schools
October 14, 2026

Beginning with the 2018-2019 school year, the District opened its first technical high school, Wendell Krinn Technical High School. Since then, the District has expanded its technical high school programs.

Work Day and Work Hours

Instructional staff at Wendell Krinn Technical High School and Kirkland Ranch Academy of Innovation will work an eight-hour day for the 2026-2027 ~~2025-2026~~ school year. During the workday, some classroom teachers will teach six fifty-minute periods and receive one fifty-minute planning period.

Additional Compensation

Instructional staff at the technical high schools will receive an additional thirty minutes of pay at their regular hourly rate of pay. In addition, classroom teachers who teach a 6th period or more will receive an additional .2 compensation at the effective negotiated rate for each extra period of instruction that they provide.

This MOU expires at the end of the 2026-2027 ~~2025-2026~~ school year.
